

# Earn your Community Health Worker Certificate

*In as little as **nine months** and **at no cost to you** through the Public Health Career Pathways Program.*

## THE PATHWAY

The Community Health Worker (CHW) Pathway offers Health and Wellness employees in entry-level positions the opportunity to complete a nine month, hybrid (online and in-person) community health worker certificate through St. Kate's University. During the program, participants will gain experience in helping diverse cultures navigate the healthcare system. The program begins January 2023.

Graduates can work in health education roles in Public Health or Social Services with the potential to earn \$21-\$45 an hour.

### Academic help

College preparatory coaching and mentoring available to help you succeed.

### Financial support

Tuition reimbursement, technology funds, book stipend, laboratory fees and incidental expenses for transportation and/or childcare, and other related academic costs.

### Salary supplementation

To allow participants to attend school full-time and continue to work at least 80% of their time if needed.

## PROGRAM ELIGIBILITY

The Community Health Worker track will accept up to 20 participants. Priority will be given to those who are single parents, receiving public assistance, and/or are members of an underrepresented group in the Public Health workforce. **To be considered, you must:**

- Earn less than \$21 per hour.
- Be a Health & Wellness Service Team employee.
- Have full-time, permanent employment status.
- Be employed with Ramsey County for one year.

Q&A Session Tuesday, Aug. 16  
In-person and virtual options.
