

# RAMSEY COUNTY

## Low Income

## Citizens Advisory Council (CAC)

### WHO WE ARE

We are low-income Ramsey County residents, social service providers and community organizations. We welcome you to come and join us to share your concerns and work for the common good.

#### Our focus is to:

- Make available opportunities for residents who have been most impacted by poverty to advocate on their own behalf,
- Provide access and information to connect residents to available resources,
- Identify gaps in services for homelessness, housing, utilities, shelter, education, jobs, childcare, clothing, food, healthcare and other areas and
- Advise and make recommendations to the Ramsey County Board of Commissioners and to the Ramsey County Financial Assistance Services Department.

#### Our goals are to:

- Increase participation from all neighborhoods by partnering with community organizations to host monthly meeting throughout the County,
- Remove barriers to civic participation, and
- Share information on available services.
