Introduction

Thank you for your interest in doing business with Ramsey County. Ramsey County's hope is that this Resource Guide will help connect Small Business Enterprises ("SBE") to organizations that provide programs and services to assist in the economic growth and promotion of small businesses.

The Ramsey County Procurement Manager leads Ramsey County's centralized procurement management function within the County's Finance Department. Procurement includes the acquisition and contracts related to all supplies, equipment, materials, labor services, construction, design-build, professional services and client services and contracting made by or on behalf of the County, its agencies, departments, officials, and authorized agents. Ramsey County values its Contractors and we continue to strive to ensure our procurement serves the needs of the County while providing efficient and effective expenditure of County funds with maximum protection of County taxpayer and Contractor interests.

If you are an organization that focuses on providing programs and services to help small businesses and would like to be added to this Resource Guide, or, if you have any procurement questions or comments related to Ramsey County, please do not hesitate to contact Ramsey County Procurement.
