If you have a criminal record for an offense that was prosecuted in a state court, we may be able to help you determine if you qualify for expungement at the Clean Slate Expungement Clinic hosted by our office. If you qualify, we may be able to help you get your record sealed by the Court at no cost to you. Sealing, or expunging, a criminal record can make it easier for you to obtain housing, get a job and certain types of job-related licenses.
