

Rice Creek Commons

Community Open House – November 1, 2023

Hosted by the Joint Development Authority

Thank you for coming! This is a guide for participating in tonight's Rice Creek Commons Community Open House. There will be a short presentation at 6pm and 7pm – they will have the same information. Informational stations are set up with plans and resources related to a variety of topics. City and County staff and project partners, who are wearing green nametags, are available to answer questions throughout the entire event.

Agenda:

- 5:45pm: Doors Open
- 6:00pm: Presentation #1
- 7:00pm: Presentation #2

Sign-In/Welcome Table – Please sign in, take a handout, and place a sticker on the map to show where you live, work, go to school, or own property.

Informational Stations – Each station is staffed with project partners to present information and answer questions about different aspects of the plan for Rice Creek Commons. At each station, there is an opportunity to provide feedback either verbally or through written comments.

- Redevelopment Code and Regulatory Plan
- Development Plan
- Housing and Homeownership
- Parks, Trails, and Open Spaces
- Green Energy and Sustainability
- Public Works
- Environmental Cleanup
