- Support legislation that is welcoming and inclusive to immigrants/refugees and that invests in culturally specific services and community engagement, to build stable lives for themselves, their families and to contribute to the communities in which they live.

MISCLASSIFICATION OF HMONG

- Support efforts to ensure the Hmong peoples are not misclassified as East Asian. The U.S. Census Bureau has historically misclassified them, which has led to confusion in data, resources and perceptions of Hmong.

AFFORDABLE CARE ACT (ACA)

- Oppose legislation that would change or remove essential provisions of the ACA, including coverage for pre-existing conditions, dependent coverage until age 26, no limits on annual/lifetime coverage, no-cost coverage for preventative care, and the mandate for individual coverage.
- Support the local-state-federal partnership structure for financing health care access and oppose measures that shift federal and state costs to counties.
- Support premium assistance to help keep the cost of insurance within reach.

EQUAL RIGHTS AMENDMENT

- Support efforts to ratify the Equal Rights Amendment to provide equal protection under federal law to all people, regardless of gender.

MEDICAID SERVICES FINANCING

COMMITMENT TO VETERAN SUPPORT AND OUTREACH (CVSO) ACT

MENTAL HEALTH

- Support consistent funding for mental health services provided through the Substance Abuse and Mental Health Services Administration, as well as legislation that will increase Ramsey County's ability to provide local systems of care. When the 1994 ban sunset in 2004, a surge of automatic weapons shootings occurred, which has not subsided. The ban was effective and should be reinstated.

BILLABLE MEDICAL SERVICES FOR INCARCERATED INDIVIDUALS

- Support legislation allowing Medicaid/Medicare funding to pay for all billable medical services for incarcerated individuals. Most of the patients who are incarcerated qualify for Medicaid and Medicaid and many have it before incarceration. Keeping Medicare and Medicaid insurance current and active for individuals increases access to care and the ability to receive timely care after release, improving healthcare outcomes and decreasing local and county government cost.

- Support passage of the Mississippi River Restoration and Resilience Initiative (MRRRI).

RECYCLING AND ENERGY

- Support increased investments in sustainable and renewable energy.
- Support efforts to refine new Environmental Protection Agency (EPA) regulations to clarify that certain receivers of waste material should not be liable for PFAS-related impacts resulting from the required processing of that waste, as these facilities are not generating or creating the waste being processed or causing PFAS to be present in that waste.

- Support efforts to implement full funding and rollout of the Families First promises to address long-standing issues with state and county child protection and foster care systems, including racial disparities in out-of-home displacements.

Intergenerational prosperity for racial and economic inclusion

THE PARK AT RIVERSEDGE

- Pursue \$20 million in funding for the Park at RiversEdge. RiversEdge is an innovative public-private project revitalizing the historic riverfront and expanding public access to the Mississippi River. The Park at RiversEdge is a new nine-acre urban park that will provide a land bridge extension of the public realm space. The funds will be used for the design, engineering, and construction of underlying infrastructure, parking to support the site, and the park itself. AFFORDABLE AND STABLE HOUSING

- Support an increase in public funds for Housing Choice Vouchers, affordable homeownership, and the production and preservation of affordable ownership housing.
- Support legislation to advance policy and practice reforms that reduce barriers to affordable homeownership, such as reducing the cost of production.
- Support efforts to make administration of HOME and CDBG programs less burdensome for local governments.
- Oppose legislation to change or eliminate the HOME Program, which provides important funding for affordable housing units in market-rate multifamily new construction. Ramsey County is part of a four-county consortium and currently receives approximately \$400,000 per year from HOME, a reduction of more than \$350,000 per year over the past 10 years.
