

TASC Card offers you payment convenience

The TASC Card features two accounts on one card—MyBenefits for employee benefits purchases—and MyCash for cash reimbursements.

MyBenefits Account

The TASC Card provides a convenient method to pay for eligible healthcare and/or dependent care, as defined by your FlexSystem Plan. MyBenefits is funded through equal pre-tax payroll deductions based on your annual benefit election.

Card purchases are limited to your Plan type, and also to merchants with an inventory information approval system (IIAS) in place to identify FSA-eligible purchases. Qualifying merchants may include doctors, dentists, vision care facilities, and day care centers. Simply swipe your card at the time you incur the eligible expense and the IIAS automatically approves the purchase of eligible items and deducts the amount from your MyBenefits account.

MyCash Account

Reimbursements are fast and paperless! If you do not use your TASC Card to pay for an eligible expense, you may submit a request for reimbursement via MyTASC Mobile, online Request for Reimbursement form in MyTASC, text message, fax, or mail. Your reimbursement will be deposited in your MyCash account to be spent any way and anywhere you want!

Access your MyCash funds in three ways:

- (1) swipe your TASC Card at any merchant that accepts MasterCard®,
- (2) withdraw at an ATM using your TASC Card, or
- (3) transfer to a personal bank account from MyTASC online.

The TASC Card is available for the following FlexSystem Plan types, where applicable:

- Healthcare FSA
- Dependent Care FSA

FSA Eligible Expenses

FlexSystem funds may only be used for eligible expenses under your healthcare and/or dependent care FSA. Some eligible expenses include:

- Medical care services
- Dental care services
- Vision care expenses
- Prescriptions
- Daycare tuition

More detailed lists can be found at www.irs.gov in IRS Publications 502 & 503. Please note insurance premiums are NOT eligible for reimbursement.

Always keep your receipts!

MyWay

The ability to access two accounts on one card makes the TASC Card more versatile than ever!

- Avoid embarrassing declines: MyCash funds can be used to pay for eligible expenses if no funds are available in your MyBenefits account.
- Combine general retail items with healthcare expenses in one transaction. The TASC Card is smart enough to know that eligible expenses are deducted from your MyBenefits account while ineligible expenses are withdrawn from MyCash.
- Transfer MyCash funds to a personal bank account (from the home page, click Schedule a Transfer).
