ARTICLE 2 RECOGNITION

2.1 The Employer recognizes the Union as the exclusive representative for the following job classifications in the recognized bargaining unit:

Behavior Analyst

Custodial Worker 1

Residential Counselor 1

2.2 The Employer shall not enter into any agreements covering term and conditions of employment with the employees of the bargaining unit under the jurisdiction of this Agreement either individually or collectively which in any way conflicts with the terms and conditions of this Agreement, except through the certified representative.

2.3 In the event that any new or different classification not listed in Article 2.1 is established and such classification or title is not within the bargaining unit previously agreed upon by the parties, then the Union shall nevertheless be the sole representative of said employee, the employee shall be included within the terms and conditions of the Agreement, the wage rate of such classification or title shall be negotiated by the Employer and the Union and the rate agreed upon become a part of this Agreement as of the date such classification or title was established; provided the new or different classification or title as of the date of its establishment involves functions substantially similar in their nature, character and scope to those performed in whole or in part by an existing classification or classifications which are now a part of the bargaining unit as listed in 2.1 of this Agreement.

ARTICLE 3 UNION SECURITY

- 3.1 The Employer agrees to deduct the Union dues from the pay of those employees who individually request in writing that such deductions be made. The amounts to be deducted shall be certified to the Employer by a representative of the Union, and the aggregate deductions of all employees shall be remitted together with an itemized statement to the representative by the first of the succeeding month, after such deductions are made.
- 3.2 The Union agrees to indemnify and hold the Employer harmless against any and all claims, suits, orders or judgments brought or issued against the Employer as a result of any action taken or not taken by the Employer under the provisions of this Article.
- 3.3 The Employer shall furnish the Union each month a list of new employees hired subject to the bargaining unit.
- 3.4 The Employer shall provide a payroll deduction for voluntary employee contributions to the Union's Political Action Committee.

ARTICLE 4 NO STRIKE

- 4.1 Neither the Union, its officers or agents, nor any of the employees covered by this Agreement will engage in, encourage, sanction, support any strike, or the withholding in whole or in part of the full performance of their duties during the life of this Agreement, except as specifically allowed by the Public Employment Labor Relations Act. In the event of a violation of this Article, the Employer will warn employees of the consequences of their action and shall instruct them to immediately return to their normal duties. Any employee who fails to return to their full duties within twenty-four (24) hours of such warning may be subject to the penalties provided in the Public Employment Labor Relations Act.
- 4.2 No lockout shall be instituted by the Employer and/or its appointing authorities during the term of this contract.

ARTICLE 5 EMPLOYER AUTHORITY - EMPLOYEE RIGHTS

- 5.1 It is recognized by both parties that, except as expressly stated herein, the Chief Executive Officer shall retain rights and authority necessary to operate and direct all the affairs of the department including, but not limited to, directing the working force; controlling all operations and services; determining the methods, means, organization and number of personnel by which operations and services are to be conducted; changing or eliminating equipment or facilities; and taking whatever actions may be necessary to carry out the missions of the Employer in emergencies.
- 5.2 (a) Employees shall have the right, freely and without fear of penalty or reprisal by the Employer, to join and participate in the Union.
- (b) Employees choosing to participate in the internal affairs of the Union as an officer, steward or other capacity, may do so without fear of reprisal by the Employer for such participation consistent with the employee's job duties and responsibilities and the provisions of this contract.

ARTICLE 6 HOURS OF WORK

- 6.1 This Article is intended only to define the normal hours of work and to provide the basis for the calculation of overtime pay. Nothing herein shall be construed as a guarantee of hours of work per day or per week.
- 6.2 Except as modified by this Agreement, work shifts, staffing schedules and assignment of employees thereto shall be established by the Chief Executive Officer.
- 6.3 Regular Hours. The regular hours of work each day shall be consecutive.
- 6.4 The normal work schedule for employees shall be five (5) eight (8) hour days and two (2) days off duty. The schedule will provide for every other weekend off. Other work schedules may be authorized to accommodate the services performed by the Residential Home.
- 6.5 Work Schedule. Work schedules showing the employees' shifts, work days, and hours shall be available to employees of all departments at all times. Permanent changes in an employee's regular work schedule will require two weeks advance notice by the Employer.
- 6.6 At least twelve (12) hours shall elapse between the starting time for a new work shift and the end of an employee's previously worked shift, except in emergencies. In the event a work schedule requires an employee to return to work with less than twelve (12) hours off, the schedule will be changed upon notice to the department head.
- 6.7 All employees' work schedules shall provide for a fifteen (15) minute rest period in the first and second half of an eight (8) hour shift. The rest period shall be scheduled at the middle of each one-half (1/2) shift wherever this is feasible. Such rest period shall be duty free except for the overnight shift, during which such breaks may be interrupted for reasons associated with residents' needs.
- 6.8 Employees who are assigned to work beyond their regular quitting time into the next shift shall receive a fifteen (15) minute rest period before they start to work on such next shift. In addition, they shall be granted the regular rest periods that occur during the second shift.
- 6.9 Employees may be granted an unpaid, duty-free meal break not to exceed thirty (30) minutes during each work shift. Whenever possible, the meal break shall be scheduled at the middle of the shift.
- 6.10 A lunchroom and restrooms will be provided for the exclusive use of the employees.

ARTICLE 7 PART-TIME EMPLOYEES

- 7.1 Part-time employees shall be eligible to earn all employee benefits as described in Article 12 – Leaves of Absences and Article 13 – Wages on a pro rata basis provided that such employees work not less than thirty-two (32) hours in each pay period and are assigned a regular work schedule, as opposed to being subject to call or to work when available.
- 7.2 Part-time employees with provisional, probationary or permanent status shall be eligible for the County pro rata insurance program if such employees work not less than forty (40) hours per pay period. These employees shall be eligible for the County contribution towards insurance benefits on a pro rata basis based on average paid hours per pay period, with determination made each following six month period. Employees whose average paid hours are at least fifty percent (50%) but less than seventy five percent (75%) of full time shall receive two-thirds (2/3) of the County contribution towards insurance benefits. Employees who are regularly scheduled to work between sixty (60) and eighty (80) hours per pay period shall receive contributions towards health and dental premiums at the same rate as full-time employees.
- 7.3 An intermittent employee is defined as a person with permanent or probationary status not working a regular work schedule (e.g. on call). As established by the County Board (Resolution 2014-262) there is an Initial Measurement period of 12 months (new hires), and Standard Measurement Period of 12 months (current employees) for Intermittent employees to determine if they meet the ACA full-time standard of at least 30 hours per week; an Administrative Period of not more than 60 days to assess hours worked during the measurement period and enroll those who qualify as full-time and choose to elect coverage; and a Stability Period with 12 months medical insurance for those who elect coverage, provided they remain employed with the County. The County will offer single/family medical insurance to Intermittent employees who meet the ACA full-time standard of at least 30 hours per week as provided in this section, with the same County contribution provided to Regular Permanent employees.

ARTICLE 8 HOLIDAYS

8.1 Employees, including intermittents and those scheduled less than thirty-two (32) hours per pay period, for whom a holiday is a scheduled day of work shall be paid at their regular rate of pay for work performed on the holiday and be granted an alternative day off or paid for the additional hours worked on an hour-for-hour basis at the employee's discretion, subject to the terms of Article 8.5. Provisional, probationary and permanent employees are eligible for holidays as described in this Article, except as described in Article 8.4. Employees scheduled to work on Christmas Day, December 25th, or New Year's Day, January 1st, shall be paid their regular rate of pay for hours worked on the holiday and shall be credited with two (2) times the number of hours worked, up to a maximum of sixteen (16) additional hours. No other overtime or differential pay, except medication passing, shall be earned when this provision is in effect.

8.2 Holidays are defined as:

New Year's Day	January 1st
Martin Luther King's Birthday	The third Monday in January
Presidents' Day	The third Monday in February
Memorial Day	The last Monday in May
Juneteenth	June 19th
Independence Day	July 4th
Labor Day	The first Monday in September
Veterans Day	November 11th
Thanksgiving Day	The fourth Thursday in November
Christmas Day	December 25th
Floating Holidays	Two days each year

Employees shall be eligible for holiday pay provided they are on paid status on the scheduled day before and the scheduled day after the holiday.

8.3 When New Year's Day, Juneteenth, Independence Day, Veterans Day or Christmas Day falls on Sunday, the following day shall be a holiday. When New Year's Day, Juneteenth, Independence Day, Veterans Day or Christmas Day falls on Saturday, the preceding day shall be a holiday.

8.4 Shift Eligibility for Holidays. When an employee works a shift on which a majority of the hours fall on the holiday, the employee shall be eligible for holiday pay pursuant to the above sections.

8.5 Every employee with probationary or permanent status shall be eligible for "floating holidays" based on the following:

- 1) Effective 2022, employees shall be entitled to up to sixteen (16) hours per year.
- 2) Effective January 1, 2022, any floating holiday in excess of the maximum accumulation allowed shall be lost to the employee annually on the pay period including June 30.

ARTICLE 8 HOLIDAYS (Continued)

- 3) Effective 2022, full-time and part-time employees shall receive sixteen (16) hours of floating holiday annually on the first full pay period following the pay period that includes June 30, pro-rated for part-time employees.
 - 4) Employees who have worked less than 6 months will not be paid for unused floating holidays if terminating employment.
 - 5) Floating holidays shall be taken at a time mutually agreeable to the employee and the department.
- 8.6 It is the intention of the Employer to grant holidays at a time mutually agreeable to the employee and the department within ninety (90) days of being earned. To accomplish this goal, the employee is expected to furnish their department with two (2) acceptable alternative days and such notice should be given with a minimum of two (2) weeks' notice. The department will attempt to schedule the holiday on one of these dates, schedule permitting. The department will answer the request within ten (10) working days. Continuous rejection by the Employer of dates provided by the employee will extend the ninety (90) day limit. If an employee has not provided alternative dates after ninety (90) days of the holiday being earned, the department will schedule the holiday when the schedule permits or pay the holiday at the department's discretion.

ARTICLE 9 SICK LEAVE

- 9.1 Full-time provisional, probationary and permanent employees shall earn sick leave at the rate of 4.6154 hours per pay period for each full month of service. Sick leave accrual will be based on actual hours on paid status in a pay period. There will be no loss in accrual for unpaid union leave up to forty (40) hours per period for no more than two (2) consecutive pay periods.
- 9.2 Permanent employees may accumulate the unused portion of sick leave without any maximum restrictions.
- 9.3 Sick leave may be authorized for the following reasons with the limitations as specified:
- (1) For illness or injury, dental or medical treatment for the employee or their minor child. "Child" is as defined in Minnesota Statutes 181.940. [As of 1/1/2000, an individual under age 18 or an individual under age 20 who is still attending secondary school.] Sick leave usage by the employee shall be subject to approval and verification by the department head, who may require the employee to furnish a report from a recognized medical authority attesting to the necessity of the leave, ability to return to duty or other information deemed necessary for (a) an absence of forty (40) hours or more; (b) four (4) absences of not less than half a shift in a three (3) month period.
 - (2) In accordance with M.S. 181.9413, sick leave not to exceed one hundred sixty (160) hours in a calendar year may be used as a result of an illness or injury of the employee's adult child, spouse, sibling, parent, mother-in-law, father-in-law, grandchild, grandparent, or stepparent. This paragraph does not apply to absences due to the illness or injury of a "child" as described in paragraph (1).
 - (3) An employee may use sick leave for safety leave for assistance to themselves or their relatives as described in paragraph (2). For the purpose of this paragraph, "safety leave" is leave for the purpose of providing or receiving assistance because of sexual assault, domestic abuse or stalking as those terms have meaning in M.S. 181.9413. Such use of sick leave is subject to the limitations included in paragraph (2).
 - (4) Sick leave not to exceed forty (40) hours in any one instance may be used as a result of a serious illness or serious injury of a person regularly residing in the employee's immediate household to attend to the needs of the ill or injured person.
 - (5) Sick leave not to exceed eighty (80) hours may be utilized by employees for the birth or adoption of the employee's child or a child regularly residing in the employee's immediate household. The leave must be consecutive and taken within six (6) months of the birth or adoption.
 - (6) Pregnant employees of Ramsey County shall be eligible for the use of paid and unpaid sick leave in the same manner as any other disabled or ill Ramsey County employee. Such sick leave eligibility shall begin upon certification by the employee's attending physician that due to pregnancy, the employee is disabled in terms of their ability to perform the duties of their position. Such employee shall then be eligible to receive sick leave benefits in the same manner as is provided for any other ill

ARTICLE 9 SICK LEAVE (Continued)

- or disabled County employee during the remaining period of pregnancy and until such time as the employee is certified able to return to work by their attending physician.
- (7) In the event a pregnant employee elects to resign their employment because of pregnancy, such employee will be paid for accumulated sick leave up to but not exceeding one-hundred-twenty (120) hours.
- (8) Sick leave not to exceed forty (40) hours may be utilized upon the occasion of death in the employee's immediate family. Immediate family for the purpose of this section shall be defined as the employee's spouse, children, parents, siblings, grandchildren, grandparents, a person regularly residing in the employee's immediate household, or person the employee regards as a member of the employee's family, and shall include parents and siblings of persons regularly residing in the employee's immediate household.
- 9.4 To be eligible for sick leave payment an employee must provide the Chief Executive Officer or designee with at least 90 minutes (1.5) hours' notice for any shifts beginning between midnight and 6:00 AM. All other shifts after 6:00 AM require three (3) hours of notice. This notice shall be waived if the Chief Executive Officer determines that the employee could not be reasonably expected to comply with this requirement because of circumstances beyond the control of the employee.
- 9.5 Sick leave shall not be used to cover a non-scheduled picked up shift.
- 9.6 Full-time employees who do not utilize any sick leave hours in a three (3) month period shall have the option of converting four (4) hours of sick leave to vacation or pay at the option of the employee. The three (3) month periods are from January 1 to March 31, April 1 to June 30, July 1 to September 30, and October 1 to December 31.
Part-time employees who do not utilize any sick leave hours in a three (3) month period shall have the option of converting sick leave to vacation or pay at the option of the employee, on a pro-rated basis, based on hours worked for the three (3) month period. The three (3) month periods shall be the same as identified in the preceding paragraph.
- 9.7 An employee unable to work because of illness or accident whose paid sick leave is exhausted, shall be granted an unpaid leave of absence for a period not to exceed two (2) years. Employees will return at the same seniority in the salary schedule, will retain promotion rights and will earn vacation schedule seniority for leave under this paragraph. When there are fewer than three (3) months between periods of leave of absence under this section for the same illness or accident, the periods of absence will be added together to determine the length of leave that may not exceed two (2) years, except that this restriction will be reduced from three (3) months to thirty (30) calendar days for employees receiving Workers' Compensation.
Existence and extent of illness or disability must be verified by written statement from an appropriate

authority when requested by the department head, department head designee, or the Human Resources Department.

9.8 An employee that has satisfied the elimination period for either short term or long term disability may, at the employee's option, retain a sick leave bank of up to eighty (80) hours when the employee begins an unpaid medical leave, provided the employee has a bank of paid sick leave hours remaining after satisfying the elimination period.

- (1) An employee with a paid sick leave bank of eighty (80) hours or less after satisfying the elimination period for either short or long term disability may elect to retain either all or none of their remaining sick leave bank.
- (2) If the employee elects to retain a sick leave bank, the employee may not use any time from that bank until the employee returns from unpaid medical leave.
- (3) If the employee does not return from unpaid medical leave, the time retained in the employee's sick leave bank will be lost to the employee, such that the employee will receive no compensation for the retained sick leave.

In any other circumstances except those described above, employees will continue to be required to use all paid sick leave prior to going on an unpaid medical leave of absence, in accordance with Article 9.6.

9.9 An employee who is granted a leave of absence without pay for illness or disability shall be accorded an unqualified right to be reinstated to:

- (1) Their former position in their department if the absence is for sixty (60) calendar days or less, or
- (2) A position in their department in the classification held at the time the leave started, if the absence is longer than sixty (60) calendar days, except in either case when all positions in such class have been abolished.

9.10 If all positions in the classification in the department have been filled, in order to accommodate a person who returns to work after illness the employee with least amount of seniority in the department in the classification shall vacate their position subject to any eligibility for transfer or reduction that they may have acquired under this Agreement.

9.11 Employees on sick leave with or without pay may not engage in other employment without the written approval of the Employer.

9.12 An employee must present a statement from their physician attesting to their fitness to return to work at the request of the Employer.

9.13 Should illness occur while an employee is on vacation the period of illness may be charged to sick leave and the charge to vacation reduced accordingly. An employee requesting such a change may be required to submit a written statement from a physician attesting to the illness and the period of disability.

ARTICLE 9 SICK LEAVE (Continued)

- 9.14 Permanent and probationary employees who are injured while performing work within the scope of their employment for Ramsey County and by reason thereof are rendered incapable of performing their duties, on or after January 1, 2000, shall upon approval by Human Resources, be granted sick leave for each work day up to a maximum of one-hundred-thirty (130) days for which Workers' Compensation payments are made for said injury or illness, said sick leave not to be charged against normal sick leave they have accumulated. This additional sick leave shall be granted in an amount equal to and not exceeding the difference between any Workers' Compensation payments and eighty percent (80%) of the employee's normal daily wage. If their recovery is not complete by the end of the period described in paragraph (1) of Article 9.14 employees shall use their own accumulated sick leave to make up the difference between any Workers' Compensation payment made and eighty percent (80%) of the employee's normal daily wage.
- In the event an employee absence due to a work related injury does not qualify for Workers' Compensation solely because of a statutory waiting period, each day of said absence shall be considered as "a day for which Workers' Compensation benefits are paid" under the provisions of this section.
- In no event shall this section be construed or operate to permit an employee to receive a combined wage and Workers' Compensation payment exceeding 80% of the employee's normal daily wage.
- Any such employee unable to resume the duties of their position within or at the end of the recovery periods and on the exhaustion of accumulated normal sick leave shall be eligible for the sick leave without pay provisions of this contract.
- 9.15 Sick leave may be used in quarter-hour (1/4) increments.

ARTICLE 10 VACATION

- 10.1 Vacations shall be granted at the time requested by the employee. If the nature of the work makes it necessary to limit the number of employees on vacation at the same time, the employee with the greater seniority shall be given their choice of vacation period. Choice shall be by classification and seniority shall prevail. Vacation slots will be bid quarterly by pay period. Vacation shall be awarded no more than two (2) weeks after vacation period request deadline. For vacation requests made outside of the timeframe above, the employee will be notified in writing whether the request is approved or denied within fifteen (15) calendar days of the date the request was submitted.
- 10.2 If a holiday occurs during the calendar week in which a vacation is taken by an employee, the employee's vacation used shall be reduced one (1) work day.
- 10.3 Any employee who is laid off, discharged, retired, or separated from the service of the Employer for any reason, prior to taking their vacation, shall be compensated in cash for the unused vacation they have accumulated at the time of separation.
- 10.4 Employees with an accumulation of sick leave credits in excess of one-hundred-eighty (180) days, may convert such excess days to vacation at the rate of two (2) days' sick leave to one (1) day vacation but not to exceed five (5) days in any calendar year.
- 10.5 Each provisional, probationary and permanent employee shall be granted vacation with pay for each full month of actual service rendered on the following basis. Vacation accrual will be based on actual hours on paid status in a pay period. There will be no loss in accrual for unpaid union leave up to forty (40) hours per pay period for no more than two (2) consecutive pay periods:

<u>Number of years of Employment</u>	<u>Accrual in Hrs per pay period</u>	<u>Yrly Accrual in Hours</u>	<u>Maximum Accrual</u>
Less than 4 years	3.6923	96	240
At least 4 years, but less than 9 years	4.6154	120	300
At least 9 years, but less than 15 years	5.2308	136	340
At least 15 years, but less than 23 years	6.4615	168	420
23 years or more	7.6923	200	500

- 10.6 Effective January 1, 2022, vacation may be accumulated to a maximum of two and a half times (2.5) the annual vacation earning rate of the employee.
- 10.7 Effective January 1, 2022, any vacation accrued in excess of the maximum accumulation allowed shall be lost to the employee on the pay period including June 30 of each year.
- 10.8 Vacation may be used in units of one-quarter (1/4) hour.
- 10.9 Employees who have successfully completed their initial probationary period may be advanced up to forty-

ARTICLE 10 VACATION (Continued)

hours (40) of vacation before it is accrued, subject to the following requirements:

- a) Requests for vacation advancement are subject to the same approval provisions as other vacation requests;
- b) Advanced vacation may not be placed in the employee's accrued vacation balance;
- c) Advanced vacation hours must be immediately repaid from future vacation accruals. If an employee leaves County employment before all hours are repaid, the dollar value of the hours will be deducted from the employee's final check. If there are not sufficient funds, the employee will be required to repay the County the value of those hours.
- d) All advanced vacation must be repaid to the County before any future vacation advancement requests will be considered.
- e) An employee may not have more than 40 vacation hours advanced to them at any time.
- f) Vacation hours advanced do not increase the employee maximum accumulation of vacation. The provisions regarding maximum vacation in Articles 10.7 and 10.8 continue to apply.
- g) An employee may not donate advanced vacation hours to another employee. An employee may not be required to request that vacation hours be advanced to them, before being eligible to receive donated hours.
- h) Denial of a request for vacation advance may be appealed in writing to the Department Director, with a response in writing to be received within ten (10) working days.

10.10 Adjustments to Initial Vacation Accrual – Credit for Previous Service

The appointing officer may, at their discretion, recommend to the Director of Human Resources (or designee), that a new hire be given credit for length of service for all or a portion of any employment experience directly related to the position to which the employee is being appointed or to match the current vacation accrual provided by the employee's most recent employer. The recommendation must be made in writing and be based on the appointing officer's assessment of the employee's qualifications beyond the minimum requirements, recruitment considerations or service accrual provided by the employee's previous employer. The appointing officer must submit documentation of the qualifying service with the recommendation. At their discretion, the Director of Human Resources may authorize length of service credit for all, none, a portion of the related experience, or the practice of the previous employer. This length of service credit, plus the employee's subsequent actual length of service with the County, will be the basis for future vacation accrual determinations. No additional length of service credit for qualifications obtained prior to County employment shall be granted after initial appointment to the County.

ARTICLE 11 SEPARATION PAY

- 11.1 Upon separation, eligible employees may choose either Option A or Option B.
- 11.2 Option A - Upon separation from the service by resignation, layoff, expiration of a leave of absence or death, a permanent employee, their designated beneficiary, or their estate shall be paid one-half (1/2) of all unused accumulated sick leave days provided:
- (1) That at the time of separation, the employee has at least four hundred and eighty (480) hours of accumulated sick leave to their credit.
 - (2) That at the time of separation from the County service, the employee must have been employed by the County in the classified service for at least ten (10) years prior to their separation, except that this section shall not apply to an employee whose cause of separation is death, layoff, whose position has been abolished, or who was required to retire from service under provisions of a compulsory retirement law.
 - (3) An employee who is laid off or whose position has been abolished shall have the option of waiting until their eligibility for reinstatement expires before applying for separation pay.
 - (4) That the rate of payment shall be based upon the regular hourly salary of the employee, in their permanent classification, at the time of separation. Separation as used in this rule means the last working day of the employee in the classified service.
 - (5) That in the event an employee has been separated and paid for such accumulated sick leave and subsequently is re-employed, their sick leave shall be calculated as though they were a new employee.
 - (6) Effective January 1, 2008, the maximum allowance shall not exceed \$13,000 for any one employee.
- 11.3 Option B - Upon separation from the service by resignation, layoff, expiration of a leave of absence or death, a permanent employee with at least twenty (20) years (41,600 hours) of service, their designated beneficiary, or their estate shall be paid according to the schedule below, to a maximum of \$7,000 effective January 1, 2008. An employee who is laid off or whose position has been abolished shall have the option of waiting until their eligibility for reinstatement expires before applying for separation pay: (no exceptions to 20 year requirement)

ARTICLE 12 LEAVES OF ABSENCE

- 12.1 Eligibility Requirements. Employees shall be eligible for leaves of absence after thirty (30) days' service with the Employer.
- 12.2 Application for Leave. Any request for a leave of absence shall be submitted in writing by the employee to the Chief Executive Officer or designee. The request shall state the reasons the leave of absence is being requested and the length of time off the employee desires. Authorization for a leave of absence shall be furnished to the employee by the Chief Executive Officer or designee, and it shall be in writing.
- 12.3 A request for a leave not exceeding one (1) month shall be answered within five (5) work days. A request for a leave of absence exceeding one (1) month shall be answered within ten (10) work days.
- 12.4 In addition to accruing seniority while on any leave of absence granted under the provisions of this Agreement, employees shall be returned to the classification they held at the time the leave of absence was requested. For leaves of less than thirty (30) days, the employee will return to their original position.
- 12.5 Employees shall be granted a leave of absence with pay any time they are required to report to jury duty or jury service. All fees shall be returned to the Employer except those paid for duty on the employee's normal day off and those paid for meals and mileage. Any hours not on jury duty shall be worked. The Employer will make an effort to accommodate the schedule of employees called to jury duty.

ARTICLE 16 GRIEVANCE PROCEDURE

- 16.1 Definition of Grievance - A grievance is defined as a dispute or disagreement as to the interpretation or application of the specific terms and conditions of this Agreement. An employee has the right to proceed under non-contractual remedies in the County Personnel Act and Rules and Veterans Preference Act. An employee may not employ both the grievance procedure under this Article and non-contractual remedies for the same grievance.
- 16.2 Organization Representatives - The Employer will recognize representatives designated by the Union as the representative or steward of the bargaining unit having the duties and responsibilities established by this Article. A list of union representatives will be provided to Labor Relations in Human Resources at least annually or in the event there are changes in representatives.
- 16.3 Processing of Grievance - It is recognized and accepted by the Union and the County that the processing of grievances as hereinafter provided is limited by the job duties and responsibilities of the employees and shall therefore be accomplished during normal working hours only when consistent with such employee duties and responsibilities. The aggrieved employee's union representative or steward, if an employee, shall be allowed a reasonable amount of time without loss in pay, when a grievance is investigated and presented to the Employer during normal working hours provided the employee and the employee's union steward have notified the designated supervisor.
- 16.4 Grievance Procedure - Grievances as herein defined, shall be processed in the following manner:
- Step 1. Informal - An employee claiming a violation concerning the interpretation or application of the express provisions of this Agreement shall, with or without the Union representative, within ten (10) work days after the first knowledge of the event giving rise to the grievance, present such grievance to their supervisor who is designated for this purpose by the Chief Executive Officer. The supervisor shall give an oral or written answer within five (5) work days after such presentation.
- Step 2. Formal - If the grievance is not settled in Step 1 and the employee wishes to appeal the grievance to Step 2 of the Grievance Procedure, it shall be referred in writing by the union representative or steward to the department head or a designated representative within ten (10) work days after the designated supervisor's answer in Step 1 and shall be signed by both the employee and the Union representative. The written grievance shall set forth the nature of the grievance, the facts on which it is based, the provision or provisions of the Agreement allegedly violated, and the relief requested. The department head or designated representative shall discuss the grievance within ten (10) work days with the employee and the Union representative or steward at a time mutually agreeable to the parties. If the grievance is settled as a result of such a meeting, the settlement shall be reduced to writing and signed by the Chief Executive Officer or a designated representative and the Union. If no settlement is reached, the Chief Executive Officer or designated representative shall give written answer to the Union within ten (10) work days following their

A meeting between the Director of Human Resources or a designated representative, the Chief Executive Officer or a designated representative, the employee and the Union shall be held ten (10) work days following the Union request for a Step #3 meeting at a time mutually agreeable to the parties. If the grievance is settled as a result of such a meeting, the settlement shall be reduced to writing and signed by the Director of Human Resources or a designated representative and the Union. If no settlement is reached, the Director of Human Resources or a designated representative shall give the Employer's written answer to the Union within ten (10) work days following the meeting.

Step 4. Arbitration - If the grievance is not settled in Step 3, and the Union wishes to refer the grievance to arbitration, the Union shall inform the Employer of its intent to arbitrate within ten (10) work days after the Union's receipt of the Employer's written answer in Step 3. The Union and the Employer will then select an arbitrator either under the alternate striking provisions of Minnesota Statutes 179A.21, Subdivision 2, or by another method mutually agreeable to the Union and the Employer.

- a. The arbitrator shall have no right to amend, modify, nullify, ignore, add to, or subtract from the terms and conditions of the contract. The arbitrator shall consider and decide only the specific issue(s) submitted in writing by the Employer and the employee and the Union, and shall have no authority to make a decision on any other issue not so submitted.
- b. The arbitrator's decision shall be submitted in writing within thirty (30) days following close of the hearing or the submission of briefs, by the parties, whichever be later, unless the parties agree to an extension. The decision shall be based solely on the arbitrator's interpretation of application of the express terms of this Agreement and to the facts of the grievance presented.
- c. The fees and expenses for the arbitrator's services and proceedings shall be borne equally by the Employer and the Union, provided that each party shall be responsible for compensating its own representatives and witnesses. If either party desires a verbatim record of the proceedings, it may cause such a record to be made, provided it pays for the record. If both parties desire a verbatim record of the proceedings the cost shall be shared equally.

16.5 Waiver - If a grievance is not presented within the time limits set forth above, it shall be considered "waived". If a grievance is not appealed to the next step within the specified time limit or any agreed extension thereof, it shall be considered settled on the basis of the Employer's last answer. If the Employer does not answer a grievance or an appeal thereof within the specified time limits or any agreed to extension, the grievance shall

be considered settled on the basis of the Union's request. The time limit in each step may be extended by mutual written agreement of the County and the employee Union in each step. The term "days" as used in this Article shall mean the days Monday through Friday inclusive, exclusive of holidays.

- 16.6 Grievance Representative - Employees presenting a grievance under Step 2 shall be represented by a representative of the Union.
- 16.7 Records - All documents, communications and records dealing with a grievance shall be filed separately from the personnel files of the involved employee(s).

ARTICLE 17 SENIORITY

- 17.1 Seniority means an employee's length of continuous service by classification and from their date of hire within the bargaining unit.
- 17.2 Classification Seniority - Classification seniority is defined as the length of continuous service in a specific job classification within any AFSCME bargaining unit to which the classification is common. When an employee returns to a previously held classification or exercises bumping rights under Article 18.3, classification seniority in that class shall include seniority in all non-supervisory equal or higher classifications in which the employee has served.
- 17.3 In the event there is a tie in classification seniority it shall be broken in the following manner:
 - (1) Continuous time within the bargaining unit.
 - (2) Continuous time within the County.
 - (3) Position on certification list.
- 17.4 Probation: New employees shall be subject to the following probationary period: Full-time employees shall have a six (6) month probationary period. Part time and intermittent employees shall have a probationary period of 1,040 hours or nine (9) months, whichever comes first. All regular and overtime hours worked, up to eighty (80) hours per pay period, will count toward the probationary period.
- 17.5 Seniority Lists - On March 1 the Employer shall post a seniority list showing the continuous service of each employee by classification. A copy of the seniority list shall be furnished to the Union when it is posted. If there is a grievance relating to seniority or a layoff, additional seniority lists shall be produced. There shall be a separate list for intermittent employees.
- 17.6 Breaks in Continuous Service - An employee's continuous service record shall be broken by voluntary resignation, discharge for just cause, and retirement.
- 17.7 An employee promoted or transferred to a new, equal or higher classification shall have the option of returning to their former classification if such employee fails probation whether the promotion is within the bargaining unit or to another position of employment provided by the Employer. In addition, during the probationary period an employee may return to their former classification upon request, with the approval of the departments affected.

ARTICLE 18 WORK FORCE

- 18.1 Any vacancy or newly created position will be posted for at least seven (7) calendar days prior to the filling of such a position in the departments where they occur and on the appropriate employee bulletin boards. Such notice will include class, shift, building, and days off. Employees, including intermittent employees, may bid on such vacancy or newly created position by submitting written application prior to the expiration date of the posting. Intermittent employees who submit a bid may be selected for a settled vacancy or newly created position only if no permanent or probationary employee submits a bid or is selected for that position. In the selection of employees for such vacancy or newly created position, consideration shall be given to classification seniority and the employee's ability and capacity to perform the job. Positions with incumbents which are reclassified shall not be considered vacant or newly created for the purpose of transfer if the incumbent is within one (1) year of meeting the minimum qualifications on the date of reclassification.
- 18.2 (a) In the event it becomes necessary to lay off employees for any reason, employees shall be laid off in the inverse order of their seniority, provided all temporary, provisional and intermittent employees, in that classification, in that order, are released first. No permanent position shall be eliminated until all emergency, temporary and provisional employees in the same classification are released. No employee's regular hours of work will be reduced as the result of using "free labor". "Free labor" is defined as volunteers, community service people, restitution workers, etc. Employees shall be recalled from layoff according to their seniority. No new employees shall be hired until all employees on layoff status desiring to return to work have been recalled.
- (b) Employees no longer working for the county will remain eligible for reinstatement from layoff status for a minimum of two years from the date of their layoff. After this initial two-year period, eligibility for reinstatement from layoff shall be extended each year that the employee notifies Human Resources of their continuing interest in reinstatement up to a maximum of ten years. Such notification of continuing interest shall be in writing to the Director of Human Resources and shall be made within 60 days following the anniversary date of the employee's layoff and include a current address and phone number of the employee on layoff. If no notice is received the employee's name will be removed from the recall list and the employee will no longer be eligible for reinstatement. After ten years the laid-off employee's eligibility for reinstatement shall expire.
- It is the responsibility of the employee on lay-off to keep a current address and phone number on file in Human Resources any time such contact information changes. Inability to contact the employee caused by the employee's failure to update their address or phone number will result in the employee losing their eligibility for reinstatement.
- 18.3 Employees displaced by the elimination of jobs through consolidation (combining the duties of two or more jobs), the installation of new equipment or machinery, the curtailment or replacement of existing facilities,

ARTICLE 18 WORK FORCE (Continued)

the development of new facilities or for any other reason, shall be permitted to exercise their seniority rights to continued employment in the same classification in the service of the Employer, or to any classification previously held. If a permanent employee in an AFSCME bargaining unit is laid off, the employee would have the right to a vacant position within the same classification within other AFSCME bargaining units, subject to completion of a probationary period.

- 18.4 If the County, or a County department, determines that employees in a specific job classification within a bargaining unit will be laid off, the employer may allow employees in that classification and bargaining unit to volunteer to be laid off, such that less senior employees would be retained. Employees responding to the employer's request for volunteers will be considered in order of their classification seniority within their department. Employees who accept a voluntary layoff will be recalled in order of their classification seniority among those on layoff status. Employees on voluntary layoff may waive reinstatement unless they are the least senior employee in the classification on layoff status
- 18.5 An employee appointed to a position in another Ramsey County AFSCME bargaining unit or other non-supervisory Ramsey County bargaining unit shall maintain their AFSCME bargaining unit seniority in all job classifications in which the employee has been employed. The employee may return to the bargaining unit and may exercise their AFSCME bargaining unit seniority in any previously held class if subsequently laid off from a position in another Ramsey County AFSCME bargaining unit or other non-supervisory Ramsey County bargaining unit.
- 18.6 If an employee is notified in writing by the employer that they will be laid off, is on layoff or is in a lower class because they exercised their bumping rights under this Article, that employee shall be placed at the employee's request, on a re-employment register for any class for which the employee meets the minimum qualifications. When a requisition is received by the Human Resources Department for a class where the re-employment register contains the names of employees identified by this Article, those employees shall be included with the certification from the eligible register. If a requisition is received by the Human Resources Department for a job class for which there is no current register, employees on a re-employment register for the class under the terms of this Article, will be referred to the appointing officer for consideration. Employees covered by this section will also be eligible for placement through the County's Job Mobility Program for any job class for which the employee meets the minimum qualifications. Eligibility for this benefit shall expire after an employee has been on layoff for two years or when the employee passes probation for a position obtained under this Article.

Sexual harassment shall be considered discrimination under this Article.
- 20.2 Union Bulletin Boards. The Employer agrees to furnish and maintain suitable bulletin boards in convenient places. The Union shall limit its posting to official notices and bulletins of the Union to such bulletin boards.
- 20.3 The Union may designate certain employees from the bargaining unit to act as stewards and shall, within ten (10) days of such designation, certify to the Employer in writing of such choice and the designation of successors to former stewards.
- The Employer agrees to recognize stewards certified by the Union as provided in this section subject to the following stipulations:
- (1) Lake Owasso shall have up to eight (8) stewards.
 - (2) Stewards and other employee Union officers shall not leave their work stations without the prior permission of their designated supervisor(s) and they shall notify their designated supervisor(s) upon return to their work stations. Permission to leave a work station for Union business will be limited to the investigation and presentation of grievances.
 - (3) Non-employee representatives of the Union shall be permitted to come on the premises of the Employer for the purpose of investigating and discussing grievances if they first notify the Chief Executive Officer's designated representative and provided the Union representative does not interfere with the work of employees.
- 20.4 Work Rules - The Employer shall have the right to establish reasonable work rules which shall be equitably and uniformly applied. Prior to the effective date, except for rules relating to patient or employee safety, any work rules shall be posted on all bulletin boards for a period of ten (10) consecutive work days. In addition, copies shall be furnished to the Union and, when effective, all existing work rules shall be furnished to all employees. New employees shall be furnished a copy of all work rules when hired. Any complaint as to the reasonableness of any new or existing rule or any complaint involving discrimination in the application of new or existing rules, shall be resolved through discussion by the parties.

performed by employees covered by this Agreement which would result in a layoff.

(2) In the event the Employer feels it is necessary to contract out or subcontract any public work performed by employees covered by this Agreement, the Employer will notify the Union in writing no less than ninety (90) calendar days in advance. During the ninety (90) days the Employer will meet with the Union and discuss possible ways and means to minimize the elimination of positions. The ninety (90) day notice requirement will not apply to contracting or subcontracting out during emergencies. "Emergency" in this context means either as defined in Article 14.3 of the collective bargaining agreement, or as declared by the Ramsey County Board of Commissioners under the terms of the Ramsey County Charter, Section 5.03.

(3) As the result of merger, transfer or reorganization of any department, no employee may be laid off or suffer any reduction in classification, pay or seniority except in the single instance where an employee refuses a job assignment consistent with their classification pay and seniority rights provided by this Agreement.

Such matters shall be a proper subject for the grievance procedure.
- 20.8 In the event new technology is introduced changing the skill requirement of any position covered by this Agreement, the Employer will provide training to assist the employee in the affected position to acquire the necessary proficiency in the utilization of the newly-introduced technology.
- 20.9 Education Allowance: Any employee who in order to improve their work performance, takes courses which have a direct relationship to their current or future work work or a position they can reasonably hope to advance to, may, upon submission of evidence of successful completion of such courses, be refunded the amount of the tuition. An employee desiring to take advantage of this training program must have the course work approved previous to enrollment by their department head. Factors upon which an employee's eligibility depends include the relevancy of the course work to the employee's position, the status of the educational institution and availability of funds, pursuant to the County's Tuition Reimbursement guidelines. Effective 1/1/19, tuition payments shall be limited to \$4,000 annually for any one employee. Employees otherwise eligible for a refund shall not submit claims for tuition reimbursement when such tuition has been or shall be paid by a federal plan of "benefits for veterans and service personnel" or by other sources.
- 20.10 Drug testing for employees required to have a Commercial Drivers License.

confirmatory drug or alcohol test, may be temporarily suspended with pay or transferred to a position that does not require a Commercial Drivers' License pending the outcome of the confirmatory test, and if requested, the confirmatory retest, provided the employer believes that it is reasonably necessary to protect the health or safety of the employee, co-employees, or the public, consistent with the provisions of Minnesota Statutes 181.953, Subdivision 10, and applicable Federal regulations.

- (4) The Employer will meet the alcohol testing standards of applicable Minnesota and U.S. statutes, and will inform the Union when an employee is being tested, provided the employee consents to informing the Union and subject to the limits of the Minnesota Data Practices Act.
- (5) Supervisors designated to determine whether reasonable suspicion exists to require an employee to undergo testing will be trained in compliance with CFR 382.603. Determination of reasonable suspicion will be put in writing, including the basis for the suspicion. The Union will be notified of such determinations, provided the employee consents to informing the Union, and subject to the limits of the Minnesota Data Practices Act.

The County will provide a letter to the Union indicating that Commercial Drivers' License testing will only apply to job classifications meeting the Federal standards of 26,000 pound vehicles, etc. Thus, classifications such as Case Aide that require the transportation of clients in County or personal cars shall not be subject to this provision.

- 20.11 If an employee is required to wear a uniform by the employer, the employer will furnish said uniform, unless otherwise modified by this agreement.

ARTICLE 21 COMPLETE AGREEMENT AND WAIVER OF BARGAINING

- 21.1 This Agreement shall represent the complete Agreement between the Union and the Employer.
- 21.2 The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make requests and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the complete understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the Employer and the Union, for the life of this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to or covered in this Agreement or with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subject or matter may not have been within the knowledge or contemplation of either or both parties at the time that they negotiated or signed this Agreement.
- 21.3 Savings Clause. Should any article, section, or portion thereof, of this Agreement be held unlawful and unenforceable by any court of competent jurisdiction, such decision of the court shall apply only to the specific article, section, or portion thereof directly specified in the decision; upon the issuance of such a decision, the parties agree immediately to negotiate a substitute for the invalidated article, section or portion thereof.

ARTICLE 22 TERM OF AGREEMENT

This Agreement shall be effective as of the first day of January, 2022, and shall remain in full force and effect until the last day of December, 2024. It shall be automatically renewed from year to year thereafter unless either party shall notify the other in writing by June 1 that it desires to modify this Agreement. In the event that such notice is given, negotiations shall begin not later than July 1. This Agreement shall remain in full force and be effective during the period of negotiations or until notice of termination of this Agreement is provided to the other party in the manner set forth in the following paragraph.

In the event that either party desires to terminate this Agreement, written notice must be given to the other party not less than ten (10) days prior to the desired termination date. The termination date shall not be before the anniversary date set forth in the preceding paragraph.
