In the event of a violation of this Article, the Union shall join with the employer to warn employees of the consequences of their action and shall instruct them to immediately return to their normal duties. Any employee who fails to return to full duties within twenty-four (24) hours of such warning may be subject to the penalties provided in the Public Employment Labor Relations Act of 1971, as amended.
ARTICLE 5  EMPLOYER AUTHORITY

5.1 The employer retains the sole right to operate and manage all staff, facilities and equipment in accordance with applicable laws and regulations of appropriate authorities.

5.2 Any terms and conditions of employment not specifically established or modified by this Agreement shall remain solely within the discretion of the employer to modify, establish or eliminate.
ARTICLE 6  UNION SECURITY

6.2 The Union may designate one employee from the bargaining unit to act as a steward and one alternate, and shall inform the employer in writing of such choice and changes in the position of steward and/or alternate.

6.3 The employer shall make space available on the employee bulletin board for the posting of Union notice(s) and announcement(s).

6.4 The Union agrees to indemnify and hold the employer harmless against any and all claims, suits, orders, or judgments brought or issues against the employer as a result of any action taken or not taken by the employer under the provisions of this Article.

6.5 The employer agrees that on the employer’s premises and without loss of pay, the Union stewards shall be allowed to post official Union notices of the designated representatives; transmit communications authorized by the Union or its officers under the terms of this contract; consult with the employer, his/her representative, Union officers or the Union representative concerning the enforcement of any provisions of this agreement, so long as such action does not interfere with regular employer duties.

6.6 The steward is authorized to perform and discharge the duties and responsibilities which are assigned to the steward under the terms of this Agreement and any supplementary agreements. The employer agrees that there shall be no restraint, interference, coercion or discrimination against the steward because of the performance of such duties.
ARTICLE 7  EMPLOYEE RIGHTS - GRIEVANCE PROCEDURE

7.1 Definition of a Grievance - A grievance is defined as a dispute or disagreement as to the interpretation or application of the specific terms and conditions of this agreement.

7.2 Union Representative - The employer will recognize the Representative designated by the Union as the grievance representative of the bargaining unit having the duties and responsibilities established by this Article. The Union shall notify the employer in writing of the name of such Union Representative and of the successor when so designated, as provided by Section 6.2 of this Agreement.

7.3 Processing of a Grievance - It is recognized and accepted by the Union and the employer that the processing of grievances as hereinafter provided is limited by the job duties and responsibilities of the employees and shall therefore be accomplished during normal working hours only when consistent with such employee duties and responsibilities. The aggrieved employee and a Union Representative shall be allowed a reasonable amount of time without loss of pay when a grievance is investigated and presented to the employer during normal working hours, provided that the employee and the Union Representative have notified and received the approval of the designated supervisor who has determined that such absence is reasonable and would not be detrimental to the work programs of the employer.

7.4 Procedure - Grievances, as defined by Section 7.1, shall be resolved in conformance with the following procedure:

   STEP 1 - An employee claiming a violation concerning the interpretation or application of this Agreement shall, within twenty-one (21) calendar days after such alleged violation has occurred, present such grievance to the employee's supervisor as designated by the employer. The employer-designated representative will discuss and give an answer to such Step 1 grievance within ten (10) calendar days after receipt. A grievance not resolved in Step 1 and appealed to Step 2 shall be placed in writing setting forth the nature of the grievance, the facts on which it is based, the provision or provisions of the Agreement allegedly violated, the remedy requested, and shall be appealed to Step 2 within ten (10) calendar days after the employer-designated representative's final answer in Step 1. Any grievance not appealed in writing to Step 2 by the Union within ten (10) calendar days shall be considered waived.

   STEP 2 - If appealed, the written grievance shall be presented by the Union and discussed with the employer designated Step 2 representative. The employer designated representative shall give the Union the employer's Step 2 answer in writing within ten (10) calendar days after receipt of such Step 2 grievance. A grievance not resolved in Step 2 may be appealed to Step 3 within ten (10) calendar days following the employer-designated representative's final Step 2 answer. Any
ARTICLE 7  EMPLOYEE RIGHTS - GRIEVANCE PROCEDURE  (Continued)

A grievance not appealed in writing to Step 3 by the Union within ten (10) calendar days shall be considered waived.

STEP 3 - If appealed, the written grievance shall be presented by the Union and discussed with the employer-designated Step 3 representative. The employer-designated representative shall give the Union the employer's answer in writing within ten (10) calendar days after receipt of such Step 3 grievance. A grievance not resolved in Step 3 may be appealed to Step 4 within ten (10) calendar days following the employer-designated representative's final answer in Step 3. Any grievance not appealed in writing to Step 4 by the Union within ten (10) calendar days shall be considered waived.

STEP 4 - A grievance unresolved in Step 3 and appealed to Step 4 by the Union shall be submitted to arbitration subject to the provisions of the Public Employment Labor Relations Act of 1971, as amended. The selection of an arbitrator shall be made in accordance with the "Rules Governing the Arbitration of Grievances" as established by the Bureau of Mediation Services.

7.5 Arbitrator's Authority

A. The arbitrator shall have no right to amend, modify, nullify, ignore, add to or subtract from the terms and conditions of this Agreement. The arbitrator shall consider and decide only the specific issue(s) submitted in writing by the employer and the Union, and shall have no authority to make a decision on any other issue not so submitted.

B. The arbitrator shall be without power to make decisions contrary to or inconsistent with, or modifying or varying in any way the application of laws, rules, or regulations having the force and effect of law. The arbitrator's decision shall be submitted in writing within thirty (30) days following close of the hearing or the submission of briefs by the parties, whichever be later, unless the parties agree to an extension. The decision shall be binding on both the employer and the Union and shall be based solely on the arbitrator's interpretation or application of the express terms of this Agreement and to the facts of the grievance presented.

C. The fees and expenses for the arbitrator's services and proceedings shall be borne equally by the employer and the Union, provided that each party shall be responsible for compensating its own representatives and witnesses. If either party desires a verbatim record of the proceedings, it may cause such a record to be made, providing it pays for the record. If both parties desire a verbatim record of the proceedings the cost shall be shared equally.
7.6 Waiver. If a grievance is not presented within the time limits set forth above, it shall be considered "waived". If a grievance is not appealed to the next step within the specified time limit or any agreed to extension thereof, it shall be considered settled on the basis of the employer's last answer. If the employer does not answer a grievance or an appeal thereof within the specified time limits, the Union may elect to treat the grievance as denied at that step and immediately appeal the grievance to the next step. The time limit in each step may be extended by mutual written agreement of the employer and the Union in each step.
ARTICLE 8  SAVINGS CLAUSE

8.1 This Agreement is subject to the laws of the United States and the State of Minnesota. In the event any provision of this agreement shall be held to be contrary to law by a court of competent jurisdiction from whose final judgment or decree no appeal has been taken within the time provided, such provisions shall be voided. All other provisions shall continue in full force and effect. The voided provisions may be renegotiated at the written request of either party. All other provisions of this Agreement shall continue in full force and effect.
ARTICLE 9  SENIORITY

9.1 The Human Resources Department shall establish seniority lists for all permanent employees in the bargaining unit. Said lists shall be posted in appropriate locations. A seniority roster shall be maintained by the employer on the basis of total length of compensated employment by classification. All time served in a Commander classification or above shall count toward Deputy Sheriff-Commander seniority.

9.2 The employer shall post a seniority list on February 1. Any employee who disagrees with the accuracy of any of the information on the seniority list shall have ten (10) work days from the date of posting to notify the Human Resources Department in writing of the claimed inaccuracy. In the absence of such written notification, the seniority list will be conclusively deemed to be correct.

9.3 A reduction of work force shall be accomplished on the basis of seniority in the classification of Commander. Employees shall be recalled from layoff on the basis of seniority in the classification of Commander. The employer shall mail, by certified mail, notice to the employee who shall have five (5) calendar days from the date of mailing of such notice to accept re-employment. If written acceptance is not received by the Human Resources Department within such five (5) calendar day period, it shall constitute a waiver on the part of the employee to any further rights of employment or reinstatement. It is the obligation of each employee to ensure that his or her current address is on file with the employer. An employee on layoff shall have an opportunity to return to work within two (2) years of the time of layoff before any new employee is hired.
ARTICLE 10  DISCIPLINE

10.1 The employer will discipline employees for just cause only. Discipline will be in the form of:
   a) Oral reprimand;
   b) Written reprimand;
   c) Suspension;
   d) Reduction;
   e) Discharge.

10.2 Suspensions, reductions and discharges will be in written form.

10.3 Written reprimands, to become part of an employee's personnel file, shall be read and acknowledged by signature of the employee. Employees and the Union will receive a copy of such reprimands and notices of suspension and discharge.

10.4 Employees may examine their own individual personnel files at reasonable times under the direct supervision of the employer.

10.5 Employees will not be questioned concerning an investigation of disciplinary action unless the employee has been given an opportunity to have a Union representative present at such questioning.

10.6 Grievances relating to this Article shall be initiated by the Union in Step 3 of the grievance procedure under Article 7

10.7 Choice of Remedy - An employee with a contract related grievance must select either the appropriate non-bargaining procedure or the grievance procedure provided by this contract. In no instances will an employee be permitted to seek a remedy under both provisions for the same grievance.
ARTICLE 11  CONSTITUTIONAL PROTECTION

11.1 Employees shall have the rights granted to all citizens by the United States and Minnesota State Constitution.
ARTICLE 12  HOLIDAYS

12.1 Holidays are defined as:

- **New years Day**

  Two (2) days each year to be granted with the approval of the department head.

12.2 When New Year's Day, Independence Day, Veterans' Day or Christmas Day falls on Sunday, the following day shall be a holiday. When New Year's Day, Independence Day, Veterans' Day or Christmas Day falls on Saturday, the preceding day shall be a holiday.

12.3 Every employee wishing to take "floating holidays" must request permission of the department head at least five (5) days prior to the holiday.

12.4 An employee who is required to work at least five (5) hours of an eight (8) hour shift on Christmas Day or New Years Day shall receive straight time for the actual hours worked plus credit for twice that number of hours which shall be compensated by pay or time off at the discretion of the appointing officer.

12.5 1) Beginning with the first pay period that includes January 1, 2007, accrue floating holidays based on employment status.

2) Effective 1/1/07, any floating holiday in excess of the maximum accumulation allowed shall be lost to the employee on May 1 and November 1 of each year (same dates as used for vacation max). Maximum accrual will remain at 16 hours for employees currently at 16 hours.

3) Full-time and part-time employees shall earn pro-rated accrual based on actual hours on paid status in a pay period. Accruals for Locals that currently receive 16 hours of floating holiday would be .61536 per pay period.

4) Employees who have worked less than 6 months will not be paid for accrued floating holidays if terminating employment.

5) Floating holidays shall be taken at a time mutually agreeable to the employee and the department.
ARTICLE 12  HOLIDAYS  (Continued)

6) No loss in accrual for full-time employees for up to 40 hours per pay period for no more than 2 consecutive pay periods for unpaid union leave.
ARTICLE 13  WORK SCHEDULES - PREMIUM PAY

13.1 This Article is intended only to define the normal hours of work. Nothing herein shall be construed as a guarantee of hours of work per day or per week.

13.2 Work shifts, staffing schedules and the assignment of employees thereto shall be established by the department head.

13.3 The normal work schedule shall be five (5) eight (8) hour days on duty followed by two (2) days off duty. Other work schedules may be authorized to accommodate the services performed by the department.

13.4 Any full-time employee who works on a shift beginning earlier than 6:00 a.m. or ending later than 6:00 p.m. shall be entitled to receive a night differential for the entire shift, provided at least four (4) hours of the shift are worked between the hours of 6:00 p.m. and 6:00 a.m. The night differential shall be paid as additional compensation equivalent to six and one-half percent (6.5%) of the first step in the salary range established for the classification in the bargaining unit. Employees working on a continual night shift arrangement shall be paid this differential during all paid leaves.

13.5 An employee who is required to, or receives prior approval from the Sheriff or the Sheriff’s designee, to work beyond the conclusion of the employee's regular work day, will accrue compensatory time off at one and one-half (1½) times the employee's regular rate of pay. An employee who is called back to work after the conclusion of the employee's regular work day or on a scheduled day off will accrue compensatory time at the rate of one and one-half (1½) times the employee's regular rate of pay. Compensatory time shall be calculated to the nearest 15 minutes. Compensatory time may accrue to a maximum of one-hundred (100) hours. Any compensatory time accrual in excess of 100 hours shall be liquidated in cash. Use of compensatory time is subject to the approval of the employee’s supervisor.

Effective January 1, 1999, employees with accumulated compensatory time of sixty (60) hours or more may choose cash or time off. However, such employees may not accumulate more than one-hundred (100) hours.

Effective December 1, 1999, employees with accumulated compensatory time of forty (40) hours or more may choose cash or time off. However, such employees may not accumulate more than one-hundred (100) hours.

13.6 All full-time employees or part-time employees receiving pro rata benefits, required to work on Saturday as part of their regular schedule shall be compensated at the rate of thirty-five cents ($.35) per hour for each hour worked. All full-time employees or part-time employees receiving pro rata benefits, required to work on Sunday as part of their regular schedule shall be compensated at the rate of forty cents ($.40) per hour for each hour worked. Effective January 1, 2013 the Saturday
ARTICLE 13  WORK SCHEDULES - PREMIUM PAY  (Continued)

differential will increase to forty cents ($.40) per hour and the Sunday differential will increase to forty-five cents ($.45) per hour. Compensation under this section will be earned for the entire period worked, provided at least five (5) hours of the period worked fall on the day for which the additional compensation is being paid. These differentials will not be paid where such work constitutes overtime under the provisions of the agreement.

13.7 Court Time. An employee who is required to appear in Court during his/her scheduled off duty time shall receive a minimum of four (4) hours compensatory time off. An extension or early report to a regularly scheduled shift for court appearance does not qualify the employee for a four (4) hour minimum.

13.8 Call-Back Time. Employees called to duty during scheduled off-duty time shall receive a minimum of four (4) hours compensatory time off. An extension or early report to a regularly scheduled shift for duty does not qualify the employee for the four (4) hour minimum.

13.9 Working as Undersheriff. Employees assigned by the Sheriff or his/her designee to a vacant Undersheriff position of eight (8) hours or more shall receive a differential of eight percent (8%) per hour of the employee's base hourly rate in addition to their regular compensation. There is no presumption of assignment if an Undersheriff is absent.
ARTICLE 14 CLOTHING ALLOWANCE

14.1 Each employee will receive a clothing allowance for use in purchasing replacement of uniforms as required. Effective 1/1/20, the clothing allowance will increase from $800 annually to $875 annually and will be paid according to the attached Memorandum of Agreement between the County and the Union. For employees not working for a full calendar year, this amount will be adjusted on a pro rata basis. Uniform allowance will be paid twice a year at six (6) month intervals, subject to submission of claims by the employee.

14.2 Employees may submit claims to replace prosthetic appliances, personal effects or other property of the employee where such personal effects, prosthetic or other property are destroyed or damaged in the course of the employee's employment provided that recovery cannot be made under Workers' Compensation Laws.
ARTICLE 15 SICK LEAVE

15.1 Sick leave shall be earned by permanent full-time employees at the rate of one and one-fourth (1-1/4) working days for each full month of service. Sick leave accrual for full-time employees will be based on actual hours on paid status in a pay period, except that there will be no loss in accrual for full-time employees for up to forty (40) hours per pay period for no more than two (2) consecutive pay periods for unpaid Union leave.

15.2 Permanent employees may accumulate the unused portion of sick leave without any maximum restrictions.

15.3 Sick leave may be authorized for the illness or injury, dental or medical treatment of the employee, or the employee’s minor child as defined in Minnesota Statutes. Sick leave usage shall be subject to approval and verification by the department head, who may require the employee to furnish a report from a recognized medical authority attesting to the necessity of the leave, or other information deemed necessary.

15.4 To be eligible for sick leave payment, an employee must notify the department head or designee prior to the starting time of the employee's scheduled shift. This notice may be waived if the department head determines that the employee could not reasonably be expected to comply with this requirement because of circumstances beyond the control of the employee. Those employees who misuse sick leave will be subject to disciplinary action.

15.5 Sick leave not to exceed five (5) days may be utilized upon the occasion of death in the employee's immediate family. Immediate family for the purpose of this section shall be defined as the employee's spouse, children, parents, siblings, grandparents, grandchildren, or a person regularly residing in the employee's immediate household and shall include parents and siblings of the employee's spouse or person's regularly residing in the employee's immediate household. This definition does not include aunts and uncles not regularly residing in the household.

15.6 Sick leave not to exceed forty (40) hours in any one instance may be used as a result of a serious illness or serious injury of the employee's spouse, children, employee's parents, or a person regularly residing in the employee's immediate household, to attend to the needs of the ill or injured person.

15.7 Pregnant employees of Ramsey County shall be eligible for the use of paid and unpaid sick leave in the same manner as any other disabled or ill Ramsey County employee. Such sick leave eligibility shall begin upon certification by the employee's attending physician that due to pregnancy, the employee is disabled in terms of her ability to perform the duties of her position. Such employee shall then be eligible to receive sick leave benefits in the same manner as is provided for any other ill or disabled County employee during the remaining period of pregnancy until such time as the employee is certified able to return to work by her attending physician.
ARTICLE 15  SICK LEAVE  (Continued)

15.8 Sick leave not to exceed forty (40) hours may be utilized by employees for the birth or adoption of the employee’s child or a child regularly residing in the employee’s immediate household. The leave must be consecutive and taken within six (6) months of the birth or adoption.

15.9 Permanent and probationary employees who are injured while performing work within the scope of their employment for Ramsey County and by reason thereof are rendered incapable of performing their duties shall use their accumulated sick leave in an amount equal to the difference between any Workers’ Compensation payments and the employee’s normal daily salary. If an employee has no earned sick leave, or exhausts their accrued sick leave, they may use earned vacation to pay the difference between Workers’ Compensation and their normal daily salary. In no event shall this section be construed or operate to permit an employee to receive wage and Workers’ Compensation benefits exceeding the employee’s normal daily wage.

Any such employee unable to resume the duties of their position within or at the end of such recovery period and on the exhaustion of accumulated normal sick leave shall be eligible for the sick leave without pay provisions of this contract.

15.10 An employee unable to work because of illness or accident whose paid sick leave is exhausted, shall be granted a leave of absence for a period not to exceed two (2) years. Employees will return at the same seniority in the salary schedule. Existence and extent of illness or disability must be verified by a written statement from an appropriate medical authority when requested by the department head or designee, or the Human Resources Department. An employee who is granted a leave of absence without pay for illness or disability shall have the right to be reinstated to a position in their department in the classification held at the time the leave started, prior to or at the end of the term of the leave. The Employer may require a report from an appropriate medical authority attesting to the employee’s fitness to return to work before allowing the employee to return from unpaid sick leave. When there are fewer than three (3) months between periods of leave of absence under this section for the same illness or accident, the periods of leave will be added together to determine the length of leave that may not exceed two (2) years, except that this restriction will be reduced from three (3) months to thirty (30) calendar days for employees receiving Workers’ Compensation.

15.11 Full-time employees who do not utilize any sick leave hours in a three (3) month period shall have the option of converting four (4) hours of sick leave to vacation or pay at the option of the employee. The three (3) month periods are January 1 - March 31; April 1 - June 30; July 1 - September 30; October 1 - December 31.
ARTICLE 16  SEPARATION PAY

16.1 Upon separation from the service by resignation, layoff, expiration of a leave of absence, or death, a permanent employee or his/her estate shall be paid one-half (1/2) of all unused accumulated sick leave days provided:

(1) That at the time of the separation, the employee has at least sixty (60) days of accumulated sick leave to his/her credit.

(2) That at the time of separation from the County service the employee must have been employed by the County in the classified service for at least ten (10) years prior to the separation, except that this section shall not apply to an employee whose cause of separation is death, or whose position has been abolished, or who was required to retire from the service under the provisions of the Compulsory Retirement Law, Laws of Minnesota 1981, Chapter 68, Section 38.

(3) An employee whose position has been abolished shall have the option of waiting until their eligibility for reinstatement expires as provided elsewhere in this Agreement, before applying for severance pay.

(4) That no classified employee who is on a leave of absence to accept a position in the exempt service of the County shall be eligible for severance pay until their employment is finally terminated.

(5) That the rate of payment shall be based upon the regular daily salary of the employee, in his/her permanent classification, at the time of separation. Separation as used in this Article means the last working day of the employee in the classified service.

(6) That in the event an employee has been separated and paid for such accumulated sick leave and subsequently is re-employed, sick leave shall be calculated as though he/she were a new employee. No employee shall receive more than one (1) severance payment from the County.

(7) An employee meeting the eligibility requirements of this Article will be provided up to the maximum severance payout shown below, based on number of sick leave hours accumulated at the time of separation, effective upon approval by the County Board.

Vacation accrual for full-time employees will be based on actual hours on paid status in a pay period, except that there will be no loss in accrual for full-time employees for up to forty hours per pay period for no more than two consecutive pay periods for unpaid union leave.
