

U LEAD

Help build Ramsey County's Future Workforce

Free Summer Help

- **What's the program?**

U LEAD promotes employment and training opportunities for suburban youth through a summer employment program that focuses on work experience, career exploration, job readiness, and personal.

- **We need you**

U LEAD is looking for businesses to supervise youth and provide them with a meaningful work experience. Give youth a chance for a brighter future this

- **What's in it for you?**

Helping young adults get job experience is good for business, good for youth, and good for your community. Plus you can hire extra summer workers.

- **For More Information or to list a job**
