

Dislocated Worker and WIOA Adult Training Service Requirements

Training services are conditional based on the following criteria. All criteria must be met to qualify for training.

- Through Career Services alone**, the individual is unlikely or unable to:
 - Obtain employment that leads to self-sufficiency, *or*
 - Gain wages comparable to, or higher than, wages from previous employment

- The training service **is needed** to:
 - Obtain employment that leads to self-sufficiency, *or*
 - Gain wages comparable to, or higher than, wages from previous employment

- The Individual **has the skills and qualifications to successfully participate** in the selected program of training services

- The selected training program is **directly linked to employment opportunities** in the area, or within an area the individual is willing to relocate

- The individual is determined eligible in accordance with the priority system in effect for adults (WIOA Adult participants only)

Additionally, a determination should be made whether participant:

- Is **unable to obtain grant assistance from other sources** to pay the costs of such training, including state-funded training funds or Federal Pell Grants

- Is currently **waiting for Trade Adjustment Assistance (TAA) petition determination**. If the petition is denied, the participant can continue training under WIOA
