

Comprehensive Plan Update: *Ramsey County 2040*

What is it?

- Every city and county in the metro is required to do a comprehensive plan for 20 years into the future.
- Met Council assigns, administers and reviews each plan
- A chance for the county to think way into the future
- Consider all of our past learnings
- Work with other cities and counties

What's in it?

Community Review Process

- 6 months for public to review draft plan
 - Online feedback and social media
 - Community events
 - Meeting with existing community and resident groups/boards/commissions
 - Coordinate with cities and align feedback

What do you want your community to (look, be, feel) like in 2040?
