

Public Health Presents

A virtual presentation about Climate Change + Public Health

April 19, 2023 • 4-5 p.m.

Guest Speaker:

Abi Phillips (she/her)

Climate and Health Planner, Environmental Health
Saint Paul - Ramsey County Public Health

Learn about:

- The health impacts of climate change in Minnesota.
- What influences an individual's or community's vulnerability to climate change.
- Which communities within Ramsey County are at higher risk of experiencing the health impacts of climate change.
- What Ramsey County is doing to address health impacts.
