

Food shelves offer free groceries for you to take home. Most are offering drive-up pickups during COVID-19. If you have trouble getting to a food shelf due lack of transportation, call the food shelf. Many are offering delivery during COVID-19. Some food shelves serve certain areas, require an appointment, ask for ID and proof of address. Please call ahead for hours and the most up to date information.

Using emergency food resources at a local non-profit Food Shelf will not impact your immigration status or count as a public charge.

MN Food Helpline

Provides information about food resources: SNAP/food stamps, food shelves, free meal sites and more.
