

TRANSFORMING SYSTEMS TOGETHER

Want to change how Ramsey County serves the community?

Join us at one of two community meetings to share your ideas on how to transform Ramsey County services.

Wednesday, Feb. 26
6 - 8 p.m.

Central High School
275 Lexington Parkway, Saint Paul, MN 55104

Saturday, Feb. 29
2 - 4 p.m.

Harding High School
1540 6th St. E., Saint Paul, MN 55106

Help inform, redesign and make our government services more responsive to and reflective of community needs in areas like child welfare, corrections, the sheriff's department, the county attorney's office, the courts, foster care and child protection, financial assistance and public health.

TO REGISTER FOR CHILD CARE CONTACT LARENE WADE:

EMAIL Larene@parentmentorprogram.org | **CALL** 612-412-1820

Food will be provided. The first 50 participants to arrive will receive gift cards.

About Transforming Systems Together

Transforming Systems Together (TST) is a shared decision-making initiative for Ramsey County to rethink how the county delivers services and invests in community. TST is intended to transform the way the county makes decisions about priorities, approaches, budgets and program design by having community members at the table as an equal voice.
