91	I use Otter Lake off leash dog park not though that I wouldn't look into Battle creek possibly. I like White bear Off leash too.	3/6/2017 4:43 AM
92	The owners have good control of their dogs. It is a large park, lots of options for exercise. Swimming, walking or socialization. Also, a large ownership from the patrons and volunteers.	3/5/2017 10:28 PM
93	The trails! The meadows can be a gladiator arena for dogs. All it takes is one unstable dog or a negligent dog owner for a dog scrap to happen. The trails are more natural canine interaction...a 20 second sniff and we move on. No need for the dogs to establish their hierarchy. My dogs are more relaxed and confident with the canine interaction on the trails. The other thing that is most important is that Battle Creek is totally fenced and the double gated entrances/exits are perfect! Helps keep our canine friends safe!!!	3/5/2017 9:55 PM

100	Variety of terrain	3/5/2017 10:16 AM
101	The park is beautiful. However, since the "improvements" to the dog area, it is way too heavily used. The snow is packed to ice in the winter and is hazardous. The trails are beaten down. I don't go nearly as much as I used to.	3/4/2017 8:28 PM
102	The large size is my favorite part. We usually do two+ laps around the entire area on each visit. Its nice to have an area that large for the dogs to run and and sniff a large variety of things.	3/4/2017 6:20 PM
103	Water	3/4/2017 4:06 PM
104	It's open spaces combined with a variety of trails to hike.	3/4/2017 10:41 AM

107	The size and the variety of trails. Also, it is week used and there are lots of dogs on any given day, so it allows my dog to socialize birth with people and dogs.	3/4/2017 7:12 AM
108	The hills and trails. For the most part the friendly people. The gated pond (gives me the choice of my dog gets wet) the fact that it is completely fenced	3/4/2017 6:36 AM
109	Woods, lots of dogs of all sizes & breeds, ponds, lots of people.	3/3/2017 2:31 PM
110	It's size, that it's in a natural setting, and that it has ponds. It's basically like taking your dog for a walk in the woods - which is great.	3/3/2017 1:44 PM

119	It's BIG with lots of trails-fantastic!	3/3/2017 8:50 AM

122	Variety of the terrain, high volume of users.	3/2/2017 11:55 PM
123	The walking paths r wide and spacious. I love the Pine Tree area and how good it smells. I like the general paths up hills and down and all the trees. Not crazy about some of the messy gross swamp ponds which i wish were fenced off so the dogs couldnt go in them.	3/2/2017 11:04 PM
124	Even if there are no dogs around, the walk and exercise is amazing.	3/2/2017 10:26 PM

We love and appreciate the fact the park is fully fenced, but would there be a way to include a gate to the water (perhaps in northeast corner) so that we could safely swim our dog in an area away from the boat launch?	3/2/2017 6:42 PM

81	The large fenced, wooded area to run in. I do not like that the small dog area is so small and only 2 hours per WEEK that they have with no larger dogs.The park is separated into two parts. It is confusing what this means. Small dogs have the entire park for two weeks, or they only have the smaller section two hours a week. Or maybe the smaller section is always set aside for smaller dogs and during those two hours they can also go in the larger section. I have been in the small section on a Saturday during my 1 hour set aside and there was a big dog in there who knocked my dog down and also my son. The woman who owned the large dog told me call the cops if I had a problem, because that is what dogs do. If people can't control their dogs, they shouldn't be there.	3/2/2017 12:02 PM
82	Have only been there a couple of times. Too easy for the dogs to run into swampy muck.	3/2/2017 11:59 AM

93	It's so big and open, like the separation between small and large dogs.	3/2/2017 10:18 AM
94	Big, open space. Fun to walk through the woods	3/2/2017 10:09 AM
95	Feels like being "one with nature" and can be very peaceful. However, during muddy season it is not fun and I try to avoid it. I also try to avoid it when it is icy. There should be signs to warn of icy hills and perhaps advice such as wearing cleats or having a walking stick. Safety is a concern because the dogs run and could bump into you while on the ice. Owners are wary of having salt on the ice since it's bad for the dogs, but maybe some sand or mulch might help?	3/2/2017 10:07 AM

106	The wide variety of landscapes (tall grass, open field, hills, heavy trees)	3/2/2017 8:14 AM
107	I like that it is fenced in. I like the small dog area and the large dog area. My pup is now 6 months old but the option of taking him in the small dog area while he was very little was nice. I do have a concern at this park about some of the people who don't seem to control or watch their dogs. There are some aggressive ones and the owners don't discipline them. There is a lot of room at this park and when we encounter this type of owner I take my dog and move to a different area.	3/2/2017 7:10 AM

118	Its convenient location to my home and the variety. When the weather is warm, my dogs love to go the the lake access to cool down. 157	Close to my home. People & dogs there are very careful about socialization.	3/1/2017 4:17 PM
158	It has a walking path, and allows to keep your dog away from some dogs that are not under voice control and to be frank some are aggressive. It would be better if there was large and small area and people stuck to it. Little dogs run under my great danes (one is a clumsy puppy) and he has accidently stepped on a little one. No one was hurt, but little dog owners should have their own area.	3/1/2017 4:15 PM

2	I tried to go to Woodview last summer and it was so overgrown, it looked like no one uses it and it wasn't maintained at all.	4/1/2017 1:46 PM
3	Close to me. But only partially fenced and much smaller than battle creek	4/1/2017 8:25 AM
4	Love it in the winter when the pond is frozen. Too small for my dog in the summer and it's a muddy mess in the spring or when it rains. The small dog fenced area was our salvation when I broke my shoulder and couldn't leash walk him. Thank you for that.	3/31/2017 9:53 PM

9	Went there once, since it's very close to home. This park is awful. Too close to baseball park, too close to homes, weird people without dogs hanging out in there. Dog was scared, I was scared.	3/31/2017 1:26 PM
10	It is super close to my home.	3/31/2017 1:05 PM

14	Close to jome	3/30/2017 1:45 PM

1	We have a large young rescue who needs to run and learn to play. We also take him to Woof Room Day Care a few times a month. This combination has been indispensable in our being able to give this dog a home. We (and he) are learning and growing and playing as a family. Thank you for providing these spaces.	3/31/2017 9:44 PM
2	My dog exhibits absolutely no behavioral issues when off leash. Due to a possible traumatic upbringing, she feels threatened on a leash and becomes reactive.the moment she is off leash she is carefree and happy. We need these spaces to exercise her and for her quality of life.	3/31/2017 3:48 AM
3	To take our dog swimming	3/30/2017 7:00 PM

16	None are within 5 min drive from me	3/16/2017 5:23 PM
17	Too many more and there would be fewer dogs at each park to interact with. However I do wish there was one closer to Arden Hills/Roseville.	3/10/2017 10:38 PM
18	Ramsey county has many open space areas , especially near Hugo. We need more access to water and larger areas	3/10/2017 4:32 PM
19	Please make pedro park in a olda	3/10/2017 10:48 AM
20	It would be nice to have a big park (12+acres) closer to Saint Paul downtown	3/9/2017 3:15 PM
21	There should be one by Lexington & Grand Ave	3/8/2017 7:58 PM
22	Though I really don't know or have enough information to make this call. The parks I haven't gone to yet might be very busy or not used.	3/8/2017 11:22 AM

42	Each neighborhood needs to have an off-leash area. I shouldn't always have to get in my car to take my dog to an off-leash area. Just designate part of each park the city already has as off-leash.	3/2/2017 1:17 PM
43	What about the park near Fairview Ave N and Chelton? It's a little small but perfect for the neighbors and there's already a fence/not really used for anything else.	3/2/2017 12:18 PM
44	Why are there none in Saint Paul?	3/2/2017 12:17 PM

54	Don't know if Ramsey Co. handles St. Paul parks but we could really use some small neighborhood areas for dogs. Maybe rec centers at off hours?	3/2/2017 7:16 AM
55	Otter Lake is sometimes too crowded. This may cause some of the aggressiveness I see in the dogs.	3/2/2017 7:15 AM

62	I'm lucky to get to one without a long commute	3/1/2017 10:25 PM
63	Not sure	3/1/2017 10:24 PM
64	Except the dog parks get super busy on weekends. Another large one would be great.	3/1/2017 9:07 PM
65	Would like one that is in walking distance from my house	3/1/2017 9:05 PM
66	High bridge dog park is the closest to me, but something along 280 or como would be a nice option.	3/1/2017 8:09 PM
67	Ramsey County has more than pulled their weight with OLDAs, the problem I have as a resident of St Paul is the city has fallen far short of their responsibility to provide recreation opportunities for all residents.	3/1/2017 7:22 PM
68	We have also done the Bobby Thiesen Park and Perry Park, they are not official parks but we like them because of proximity to our home (inside a hockey rink and a softball park, so not the best locations)	3/1/2017 7:06 PM
69	It would be nice to have more than 1 in a community. Too long of a distance for a larger number of residents is a deterrent.	3/1/2017 6:53 PM
70	But more is always better!	3/1/2017 6:41 PM
71	There are a lot of dogs and we need facilities.	3/1/2017 6:38 PM
72	I am close to one so not fair for me to answer	3/1/2017 6:29 PM
73	Battle Creek is beautiful but overused. Another large park would off-set this.	3/1/2017 5:53 PM
74	I would love one on the south west side of Ramsey county (St. Paul)	3/1/2017 5:50 PM
75	There isn't one by me	3/1/2017 5:46 PM
76	we also use those run by St Paul, together very convenient	3/1/2017 5:45 PM
77	Newell Park	3/1/2017 5:06 PM
78	I don't know.	3/1/2017 5:04 PM
79	city off-leash dog areas are available, too	3/1/2017 5:01 PM
80	I might say not enough if I lived farther away from one.	3/1/2017 4:59 PM
81	We use the High Bridge dog park	3/1/2017 4:56 PM
82	There can never be too many off-leash dog areas.	3/1/2017 4:54 PM
83	Would like one near long lake regional park	3/1/2017 4:47 PM
84	They don't all have to be big. But mounds park is an excellent site for a new one. Whole lot of woods	3/1/2017 4:46 PM
85	I would love to see more, but I love the quality of parks.	3/1/2017 4:43 PM
86	I would LOVE to be able to walk to an off-leash park!	3/1/2017 4:43 PM
87	Who operates the one by the new Saints Stadium?	3/1/2017 4:42 PM
88	would LOVE one in Como Park!!	3/1/2017 4:39 PM

89	Always want more but not insufficient	3/1/2017 4:28 PM
90	Never too many.	3/1/2017 4:25 PM
91	Based on the number of households with dogs, especially the density of dog owners in the more populated areas (highland park, mac groveleand etc.) and compared to MSP, there are definitely not enough dog parks nor are all of them large enough for bigger dogs to run and play (70 lbs +, avg. lab/retriever or larger)	3/1/2017 4:21 PM
92	Would love to see more!	3/1/2017 4:20 PM
93	I'd rather have just 1-2 massive, well-maintained parks.	3/1/2017 4:15 PM
94	They in good locations. Of course, I'm always an advocate for more.	3/1/2017 4:14 PM
95	not sure	3/1/2017 4:11 PM
96	More parks in central St. Paul neighborhoods would be awesome.	3/1/2017 4:07 PM
97	I would like one in highland park/mac groveland	3/1/2017 4:05 PM
98	For question 32, you should ask about fencing the area completely. That's very significant.	3/1/2017 3:09 PM
99	Not a resident...picking middle of the road answer.	3/1/2017 2:53 PM
100	Big county w/lots of dogs. 4 is a small number.	3/1/2017 12:24 AM
101	A few smaller areas would be a nice addition especially in winter when the wetter areas become treacherous.	2/28/2017 9:21 PM
102	The numbers don't work in question 32.	2/28/2017 8:36 PM
103	I typically go to the High Bridge park. 5-8 years ago. I believe the park was maintained somewhat better. Within the last year I have noticed quite a bit of standing water and mud. Also last summer, the park was mowed towards the end of the summer and killed many frogs and rodents. Was a bummer for the animals killed but then our dogs were eating the remains or rolling in them.	2/28/2017 7:52 PM
104	If only Washington County did too...	2/28/2017 7:30 PM

11	I only go to the Otter Lake, and Rice Creek. I hate that the Otter Lake Park is always muddy, and feel that there are too many trees there. I love the Rice Creek Park as it has the sand, and is big and open. Otter is closer to my home, but I drive to Rice because it is sandy, and open.	3/21/2017 12:06 PM

39	Would like a drinking fountain inside, a place to lock up bikes close to entrance other than the fence which the dogs pee on, and a place for kids to climb on. Our entire family goes to the dog park.	3/2/2017 10:33 AM

42	unfamiliar all but one -- no response	3/2/2017 8:50 AM
43	I can only speak for Battle Creek -- outstanding!	3/2/2017 8:28 AM
44	The Rice Creek North OLDA is very nice, however, there are many muddy areas of the park. The trail has 3 areas that are just mud most of the year, which the dogs get dirty. We had the pond to allow the dogs to swim, but you closed that, not thinking about the impact to people and animals at the park. We have submitted tickets on the parks website, but nothing is ever done about it. A little more TLC is in order for this park. The garbage cans are overflowing and smell horrible. There needs to be trash cans inside the park, not just at the 2 entrances. People spend hours here walking their dogs, don't want to carry waste around the whole time.	3/2/2017 8:10 AM
45	Battle creek needs a separate small dog area and more regulations for trouble dogs/owners	3/2/2017 7:27 AM
46	Need more signs about rules, make the simple and clear for dog owners to understand. People are not picking up after the dog and some even bring extremely aggressive dogs that clearly should not be there.	3/2/2017 6:51 AM

56	Used by many dogs and shows wear in areas.	3/1/2017 8:05 PM
57	Would like to see main paths paved/tarred. The main paths are pure mud in spring. More mulch material could be used on other paths to help the same issue.	3/1/2017 6:59 PM
58	There can be some environmental issues with the landscaping such as drainage.	3/1/2017 6:53 PM

69	all should be fully fenced	3/1/2017 4:37 PM
70	Could use wood chipping, and additional shade and water sources, benches are also appreciated	3/1/2017 4:21 PM
71	Need more of them! Also fencing needs to be higher.	3/1/2017 4:20 PM
72	Have more for the dogs to do, have rules posted.	3/1/2017 4:18 PM
73	We could use more dog "beaches"	3/1/2017 4:15 PM
74	not sure	3/1/2017 4:11 PM
75	Quality is great, just would like more closer to me	3/1/2017 4:05 PM
76	Battle Creek is outstanding. The others not so much.	3/1/2017 3:09 PM
77	Wood view s way to small, or not enclose and safe.	3/1/2017 2:30 PM
78	Battle Creek needs improvement with safety and muddy/swamp areas. Otter Lake needs to be larger.	2/28/2017 9:30 PM
79	Battle Creek is very difficult to navigate from late fall to mid spring due to icy entrance area and paths.	2/28/2017 9:21 PM
80	Please ban all toys.	2/28/2017 7:55 PM

Q36 Ramsey County does not require a fee to use the off-leash areas. If a donation box was placed at each location and collected funds were used for improvements, maintenance and security, how likely would you be to donate?

1	If I didn't think it was going to be stolen	4/4/2017 11:18 AM
2	concerned about donation at park site. Target for theft & vandalism. Would prefer on line donation.	3/31/2017 3:31 PM
3	Although, I would question how safe a drop box would be. Would think it would become a target for theft.	3/31/2017 3:48 AM
4	likely if box is secure. Give out a donation form with licensing material and include in local publications and property tax statements.	3/30/2017 4:19 PM
5	I would rather support the dog parks by paying a fee like the Minneapolis fee (which I already pay).	3/30/2017 1:58 PM
6	I don't believe an unattended donation box is very secure. Online donations, with signage on-site, would be a better option. Also, detailed documentation indicating exactly how the donations are spent for any given period would be a must. Then, I would be more likely to donate.	3/30/2017 1:09 PM
7	Would prefer an annual permit so I don't have to remember to bring cash to the park	3/30/2017 12:58 PM
8	Would donate if there was another location that I used more frequently	3/30/2017 12:23 PM
9	I would spend my time making the DP a better place to walk my dogs for everyone	3/25/2017 10:53 AM

32	maybe having dog-owner meet-and-greets or community meetings with donations there	3/2/2017 1:13 PM
33	Although a box might not be the most secure donation method. Maybe paypal.	3/2/2017 12:00 PM
34	Dog owners are passionate about these parks and would fund them gladly.	3/2/2017 11:18 AM
35	Like the idea of a donation box, if the was a goal and plan sheet next to the box	3/2/2017 10:33 AM
36	I'm just not sure how secure a donation box really is if it is left out in the park. I'd rather donate online instead.	3/2/2017 10:14 AM
37	I think instituting a user fee is crucial, especially if there is a key card access. Not only would this raise money for better maintenance, it would greatly assist in security -- by being able to deny access to owners with problem dogs.	3/2/2017 10:00 AM
38	I would prefer to join and have a badge or collar designation, rather than donate every time.	3/2/2017 8:25 AM
39	I feel this is the responsibility of the county to serve it's residents and users, however, I would donate some to provide a shelter, water in the park not out at the entrance.... however.... I DONT HAVE \$\$\$\$ to donate alot, and I don't feel safe walking my dog on the streets of my community as the drivers are horrible. THis is a safe location that needs to remain avaiable to anyone regardless of their abiltity to pay. If you plan to use donations to make improvements, you need to post the improvements and there needs to be immediate visible results. Based on your ability and response to previously submitted support / reuquests we don't feel that you will follow through with this.	3/2/2017 8:10 AM

49	Would be highly concerned the money was vandalized and second it it was All spent on the dog park	3/1/2017 10:24 PM
50	I'm a college student right now.	3/1/2017 9:52 PM
51	Donation box is a bad idea - vandalism.	3/1/2017 9:29 PM
52	Not sure how safe it is to have money held at park locations.	3/1/2017 9:07 PM
53	I used to pay for a permit for three Rivers off leash dog parks. Well worth the \$.	3/1/2017 8:09 PM
54	I would likely donate through electronic options, having off-leash spaces is really important and I appreciate them, I will donate for their operations, however, I am not sure how secure an on-site drop box is....I would consider donating that way if appeared very secure.	3/1/2017 7:06 PM
55	If being used for the dog park we used and would like to know what the money is being used for.	3/1/2017 6:59 PM
56	Would probably be stolen.	3/1/2017 6:45 PM
57	winter funds for parks and rec should be used for the dog parks	3/1/2017 6:39 PM
58	I prefer to donate makin sure my money goes to the intended organization and so I am able to get the tax credit.	3/1/2017 6:07 PM
59	I'd rather donate online - boxes can be vandalized.	3/1/2017 5:53 PM
60	I would not recommend a donation box due to crime in certain areas of Ramsey County. A money box would be subject to vandalism without delay.	3/1/2017 5:45 PM
61	We already pay dearly in taxes!!	3/1/2017 5:15 PM
62	Unemployed senior, limited income	3/1/2017 5:06 PM
63	I would also recommend encouraging online donation	3/1/2017 5:06 PM
64	I would rather be able to donate on-line...box would not be safe in my opinion	3/1/2017 4:56 PM
65	Doesn't feel secure. I would be more likely to donate online.	3/1/2017 4:55 PM
66	I would be more likely to donate online via PayPal, etc. I would be concerned that donation boxes would invite theft and crime.	3/1/2017 4:54 PM
67	I live by Wacouta Park in downtown St. Paul. Dogs run that park. More could be done to provide a space better designed for the high use. Though it is very good already.	3/1/2017 4:42 PM
68	do not like leaving money where it is accesable to others	3/1/2017 4:39 PM
69	I hope you're not asking for folks to leave \$ or credit card information in these boxes :-(3/1/2017 4:22 PM
70	However no one typically carries cash these days! I am happy to donote, but rarely have any cash on me to donate at a box location	3/1/2017 4:21 PM
71	I would definitely donate.	3/1/2017 4:18 PM
72	I already pay a HUGE amount in property taxes.	3/1/2017 4:15 PM
73	not sure...i have only used the local ice hockey rinks in the summertime which i like a lot	3/1/2017 4:11 PM
74	It would depend if I thought the funds I donated were secure and not be stolen.	3/1/2017 4:11 PM
75	It's easier to just charge a small fee	3/1/2017 4:10 PM
76	I'd prefer online donations to a donation box.,	3/1/2017 4:10 PM
77	That doesn't seem like a secure way to collect donations would consider another method	3/1/2017 4:05 PM
78	I would prefer to buy an annual permit instead where a key fab would be used to gain entrance. Even if it were just one Park.	3/1/2017 3:30 PM
79	Maybe have an online donation, so drop boxes are stolen or broken into.	3/1/2017 2:55 PM
80	Money will get ripped off.	3/1/2017 2:30 PM
81	Because it would be broken into they break into cars why not a drop box .BAD IDEA.	3/1/2017 2:24 PM
82	Annual permit would be more convenient than a paybox and less likely to be stolen	3/1/2017 7:26 AM
83	Dog parks are too important.	2/28/2017 8:36 PM

71	dogs should be evaluated to make sure they are dog park material, too many dogs and owners "think" there dogs are ok, but one of my dogs was attacked 3 times twice by the same set of "friendly" according to the owner, dogs. They came up to my very submissive dog with hackles raised, growling and made ready to engage until I went after the dogs and ran them off. My dog just looked bewildered as he was doing nothing.	3/4/2017 11:33 AM

128	I used to go, then took my children, to what is now the off leash dog mini-park in Lauderdale. We did bubbles, shot off water rockets and small engine rockets for my homeschool, played soccer, and more. Then over half of that space was taken over by the dog park, and completely ruined a quiet, spacious outdoor area. It's gone forever, without input from the entire Lauderdale community. There were other, more appropriate spots to put that area, and the officials didn't choose to do so. So I'm not in favor of most dog parks. Besides, there's no parity for other species, even if any other species would destroy the "park" they've been designated anyway. The one in Lauderdale is nothing but a mud mosh pit for the dogs, now. Unfortunate.	3/2/2017 9:03 AM

132	dog attacks	3/2/2017 8:28 AM
133	Too dangerous for dog and us. So many injuries. If there was a park that allowed off leash, that was not fenced in, so that obedient dogs could walk around with their owners and enjoy, then the dogs that don't respond to commands wouldn't go there, and the likelihood of dog and human attacks may be less.	3/2/2017 7:43 AM

#	Responses	Date
1	An off-leash area in Como Park would be great!	4/4/2017 8:54 PM
2	Larger and more trees - a whole park dedicated to off lease. so an owner can get some real exercise and so their dogs - at the same time. Even go biking.	4/4/2017 11:20 AM
3	Dog parks are very important for healthy socialization of dogs to people and other dogs as well as a great way for them to get the exercise and stimulation they need. I'm very glad we have them and see them an essential component of keeping pets and people safe in the context of communities with leash laws.	4/1/2017 1:50 PM
4	Please open one near river road	3/31/2017 11:14 PM
5	We mostly go to the Arkwright & Arlington dog park. Also Cottage Grove (Washington County) because it's close to my parents house.	3/31/2017 9:55 PM
6	I'd love to take my dogs to the Offer Lake OLDP if they felt safer.	3/31/2017 9:34 PM
7	Would love to have dog park closer	3/31/2017 8:20 PM
8	More easily accessible dog parks (walking distance) -even just smaller fenced areas.	3/31/2017 7:17 PM
9	Otter Lake needs better fencing. Consider blacktop paths. Spread large amounts of wood chips before the ground thaws each year.	3/31/2017 6:36 PM
10	no	3/31/2017 4:44 PM
11	More dog parks would be great. The large dog area at Woodview is pretty much unusable in the summer due to ticks, burrs, and lack of groomed paths (fallen trees and the like). The small dog area is small and gets no sunshine -- it's kind of depressing. A lot of people let their dogs off-leash throughout Reservoir Woods park already, and I'd love it if that could be legal, at least away from the paved trails. Barring that, designating the area in the "loop" made by Trout Creek trail as off-leash would be a blessing.	3/31/2017 4:38 PM
12	No	3/31/2017 4:23 PM
13	If Woodview had improvements done, we'd be more likely to use it. Mainly removal of stinging nettles.	3/31/2017 3:42 PM
14	I feel the parks promote responsible pet ownership as it appears they are user policed and fill a important need for pet owners.	3/31/2017 3:18 PM
15	Would like a dog area in Como park	3/31/2017 2:49 PM
16	Small dog off leash areas needed	3/31/2017 2:39 PM
17	Dog parks don't really need to be fancy. Just safe.	3/31/2017 1:27 PM
18	Spaces for dogs to run are important for many breeds. Smaller parks don't really work for those dogs.	3/31/2017 12:55 PM
19	Don't consider dog parks a priority given competing demands for space and dollars	3/31/2017 12:29 PM
20	No	3/31/2017 12:03 PM
21	Would like to see more off leash dog parks...even if it's a small fenced in area located within a larger park.	3/31/2017 9:01 AM
22	Increase the amount of off-leash dog parks.	3/31/2017 8:52 AM
23	The bigger the off leash area the better.	3/31/2017 7:19 AM
24	Would love to see more OLDA, would love to see an off leash beach area!	3/30/2017 10:29 PM
25	There just needs to be more. Putting an OLDP in Vadnais Heights would be huge! My level of commitment for volunteer work to maintain would be high. I'm a stay at home mom with a large dog. I would love to take her to the dog park more often.	3/30/2017 7:57 PM

Off-Leash Dog Area Survey

26	We have dogs that love water and natural fields of grass so we seek that out. When I lived in Seattle the dog parks were more numerous, convenient and in some cases impressive. Our neighborhood dog park wasn't all that impressive but was convenient. There is a St. Paul dog park on the east side that is "relatively" convenient but in Seattle there were dog parks right on two of the premier freshwater lakes there with excellent swimming and space. We need that here.	3/30/2017 7:03 PM
27	Why waste tax dollars on these parks when most dog owners run dogs off leash anywhere they want - hidden falls and Crosby farm are literally off leash dog parks it is nuts down there	3/30/2017 5:43 PM
28	I would love to see a park set up with agility training.	3/30/2017 5:04 PM
29	Leash laws in other parks should be enforced more.	3/30/2017 4:21 PM
30	Otter Lake needs a dog swimming area	3/30/2017 3:26 PM
31	I personally do not like the water areas. They simply provide a wet mess for dogs and vehicles. If they could be fenced in and optional for those who DO want it, that would be helpful!	3/30/2017 3:23 PM
32	Thank you for providing these!!! I would really like to see an agility course area at Rice Creek, if possible. Just a side note: Question #44 does not allow multiple checks to be made. I would add P&R website and email notification	3/30/2017 3:06 PM
33	Area for small dogs	3/30/2017 2:14 PM
34	I feel strongly that Saint Paul needs a dog park in the western park of the City. Ramsey County should help St Paul, since it is in the County.	3/30/2017 2:00 PM
35	#21 will only let you check one; not all that apply!	3/30/2017 1:47 PM
36	No	3/30/2017 1:47 PM
37	Hiking paths are our favorite	3/30/2017 1:40 PM
38	Ensure that any water features are clean/safe for pets.	3/30/2017 1:12 PM
39	Strictly enforce the leash laws now.	3/30/2017 1:05 PM
40	All dog parks should have a small dog area. They can easily be injured by the large dogs playing too rough or trampling them.	3/30/2017 1:00 PM
41	No	3/30/2017 12:56 PM
42	I feel very strongly that OLDP should NOT be a high priority esp bc it is used predominantly by the white demographic. In city parks where dogs are ON a leash, Hmong and Spanish speakers noticeably avoid (and kids run from) people with leashed dogs. Dogs are already allowed in parks when leashed. They also damage the natural areas (erosion, vegetation trampling) and add E coli to waters (I am a professional ecologist and limnologist).	3/30/2017 12:48 PM
43	I would ideally like a space closer to home, even if it wasn't as big as Rice Creek or Otter Lake.	3/30/2017 12:48 PM
44	Off leash parks are great. Another location in the Long Lake Area of Ramsey County would great	3/30/2017 12:25 PM
45	The large dog off leash park nearest Larpenteur and Dale is not fully enclosed and it really should be. Traffic on Larpenteur is accessible from it and a disobedient dog could run into traffic. I also believe this is why a dog had to be rescued from ice on the marsh therein.	3/30/2017 12:24 PM
46	I do so appreciate having the dog park for my babies. Thank you for all your work	3/30/2017 12:23 PM
47	Having a schedule for small dog vs large dog use of fenced in area is ridiculous...we need two separate fenced areas...people do not pay attention, I have seen dangerous situations had to leave dog park, dog park smells awful, should dogs be vaccinated? How to monitor that ?	3/30/2017 12:14 PM
48	Don't know. Probably container for dog poo.	3/30/2017 12:06 PM
49	Need more paRKS AS NUMBERS re growing fast.	3/29/2017 8:03 PM
50	Jim needs to stop doing landscaping!!!!!! He is making it worse or wasting material that does NO good. He doesn't understand landscaping 101 which is mostly common sense. Like NOT stopping water on the path or the path should be sloped/tapered/angled so the water can run off the path. Do not make the fences any shorter by adding more dirt (my dogs are not the only ones that can jump the fence. If it shorter more dogs can) or dig under the fence so dogs can go under it. Stop making stairs, ledges, or cliffs on the trails making them inaccessible and creating more dangerous hazards. I have lots of easy cheap fixes to make the DP safer and more enjoyable for all that go there. I will be in contact with you.	3/25/2017 11:24 AM
51	I would like to see more off leash parks in the city of St Paul. I currently go to the High Bridge dog park. Would love something closer to home.	3/23/2017 6:30 PM

Off-Leash Dog Area Survey

52	I think that the number of OLDAs is just right and funding would be best utilized by focusing on improving the existing OLDAs.	3/22/2017 10:21 PM
53	I hope the current Dog parks remain and maybe a few new ones also	3/22/2017 4:49 PM
54	We live less than a mile from an entrance to long lake park. I would love to see an off leash area at Long Lake. There is plenty of space for it.	3/21/2017 1:25 PM
55	Please see if there can be sand put down at the Otter Lake Park so it is not always so muddy.	3/21/2017 12:08 PM
56	My dogs love Battle Creek.. The only place where they can run without a leash yet know where we are at all times.	3/21/2017 11:50 AM
57	I think dog park should be more policed with a key card in case of a issue we can identify the people involved more easily so we know who's coming and going also.	3/21/2017 11:27 AM
58	there is a nice area by como lake that would be a perfect spot for an off leash area. between como ave and Nagasaki road	3/21/2017 8:47 AM
59	Need one in north east area of county.	3/20/2017 6:27 PM
60	We need more in the inner city! 55104	3/20/2017 9:31 AM
61	Please enforce leash laws in the other parks. I live near the east side of Bald Eagle Lake. Please do not consider making that part of the Bald Eagle / Otter Lake park an OLDA.	3/18/2017 9:27 PM
62	Park MUST be completely and securely fenced. I'm a retired animal control officer and non-secured dog parks were a huge headache for dog owners, the public, motorists, and the dogs themselves.	3/18/2017 11:17 AM
63	No concerns	3/17/2017 7:12 PM
64	I remember hearing about an attack at the Arl/Ark park of a number of dogs (too many, with a dogsitter) on an Australian shepherd some years ago. It would be good to have published rules available as well as contact information in case of such an incident posted prominently in the park -- might work well as an early-warning system for those who aren't watchful enough with their dogs.	3/17/2017 4:24 AM
65	Grateful to have the parks. Think you!	3/16/2017 9:53 PM
66	The would like picnicking and human food prohibited from the dog parks, it just creates unsafe situations with dogs there are plenty of picnicking areas in other parks.	3/16/2017 9:26 PM
67	Clean water for swimming - even if manmade - safe place for warm weather swimming - no giardia or blue-green algae. Having a dock for jumping in would be ideal and fenced in	3/16/2017 5:27 PM
68	Just more parks would be nice. Amenities aren't super important. I just want a place where my dog can run.	3/16/2017 9:06 AM
69	need to do a better job of encouraging people to pick up after their dogs. most folks do, however,..... many still do not	3/16/2017 6:26 AM
70	None	3/15/2017 10:07 PM
71	Live in St Paul and didn't realize dog park I go to (High Bridge) isn't part of survey. Have been to Battle Creek but it's too far away.	3/15/2017 8:23 PM
72	More please. The Shepard road park is terribly maintained.	3/15/2017 12:31 PM
73	I thinks it's critical that the White Bear Lake Dog Beach stay open. There's no other beach like it.	3/15/2017 11:38 AM
74	Lighting would be great, especially for winter time when it gets dark so early	3/12/2017 10:38 PM
75	Thank you for all the wonderful off-leash dog park space!	3/12/2017 6:15 PM
76	Too many people with poorly trained and aggressive dogs. Little confidence that dogs have necessary vaccinations.	3/11/2017 4:52 PM
77	More water access with shade in the WB township / Hugo area	3/10/2017 4:36 PM
78	This about a park in general....MAKE PEDRO PARK IN DOWNTOWN ST PAUL HAPPEN! THE COMMUNITY NEEDS THIS AND IS BEGGING FOR IT. IT IS OFFENSIVE THE CITY WILL NO HONOR THE PEDRO'S ORIGINAL WISHES.	3/10/2017 10:50 AM
79	I very much appreciate the free dog parks. It would be great to have more of them provided.	3/9/2017 9:15 PM
80	Rice Creek: On numerous occasions my dog has run into mud pits there and come out smelling like raw sewage. I am a little worried that there is sewer run-off there (in particular, in the wooded areas to the left and right of the pond). Some form of running water fountains for the dogs within the parks themselves would also be great, so that they wouldn't feel compelled to drink puddles.	3/9/2017 3:18 PM

Off-Leash Dog Area Survey

81	Would love to be able to specify a time where you could have an entire area to yourself to let dog roam off leash and not worry about other dogs.	3/9/2017 12:33 PM
82	FENCE at OTTER LAKE	3/8/2017 9:49 PM
83	Weed control	3/8/2017 8:21 PM
84	I really appreciate the opportunity to use the parks for free.	3/8/2017 5:05 PM
85	I love Battle Creek dog park. Please maintain and continue to improve it. Thank you!	3/8/2017 4:39 PM
86	Make a olds on the north end of acorn park	3/6/2017 11:50 PM
87	Should have some kind of inforcement for not picking up your dogs poop.	3/6/2017 10:45 PM
88	Keep lakes from becoming toxic	3/6/2017 9:50 PM
89	Would love to have a fully-fenced OLDP closer to my home in St. Paul (Woodview is close, but don't visit often since I'm worried my dog will run onto Larpenteur)	3/6/2017 6:28 PM
90	These dog friendly areas are among the most used park areas in Ramsey Cty. More funding and attention needs to be made to them, since use will not be going down anytime soon!	3/6/2017 5:16 PM
91	The water area was recently closed at the Rice creek park, I am concerned about keeping my pet cool in the summer, or cleaning her off if she gets muddy, could a hose or dog shower be installed for cooling and rinsing?	3/6/2017 1:34 PM
92	Dog drinking water needed	3/6/2017 11:31 AM
93	More mulch on the paths, do to high usage at Maplewood, many trails turn to mud.	3/6/2017 10:40 AM
94	I see an increasing number of dog owners that do not clean up after their dogs at Rice Creek. It is clear that the rule is not enforced, so the owners don't bother.	3/6/2017 10:06 AM
95	I hate to hear about maybe closing some of the best off leash dog parks. like Rice creek and white bear lake	3/6/2017 4:52 AM
96	Question #32 on this survey did not work. I would pick a ranking for one aspect and it would ERASE the previous ranking. So, I was could only rank one of the aspects. Fix the survey. I want to give you my opinions for this question. Here are my rankings: Dog drinking fountain/hose = 11 Location within walking distance = 11 Natural water play areas = 11 Size of off leash area = 1 Separate small & large dog areas = 5 Shade trees or shade structure = 1 Obstacle or agility course = 1 Benches for owners = 1 Paths = 1 Restrooms = 1 People drinking fountain = 11	3/5/2017 10:18 PM
97	It would be great to have one in Lino Lakes. Trails are that abundant and a park would be awesome! Ps - I'd be happy to serve on any planning or focus committees if and when possible. I help lead a rescue organization and have helped train many dogs through the Animal Humane Society. I'm a huge animal enthusiast.	3/5/2017 5:37 PM
98	I wish there was a bigger park. It's not really enough walk for me.	3/5/2017 1:46 PM
99	Water provided, and landscape maintenance is needed.	3/5/2017 11:20 AM
100	Trails at Rice Creek could use stabilization. There is a lot of erosion going on.	3/5/2017 10:46 AM
101	People use Langton Lake as an off-leash area for poorly trained dogs. Please post signs saying dogs are supposed to be leashed at non-OLDA please	3/5/2017 1:05 AM
102	The mayor and city council should stop using tax increment financing. The tax burden placed on homeowners is out of control. My home is valued at what I paid for it in about 2001. However, my taxes have doubled.	3/4/2017 8:35 PM
103	More clean swimming areas	3/4/2017 3:09 PM
104	there should be incognito monitors ready to fine dogs that are aggressive in the parks. Currently it is TOO DANGEROUS/RISKY to bring my dogs.	3/4/2017 11:35 AM
105	We have St Bernards and prefer areas with water and shade available when it warm or hot outside.	3/4/2017 9:12 AM
106	Like the hills andnoption to let dog swim would like a hose to rinse dog off	3/4/2017 6:52 AM
107	Indoor dog park in winter.	3/3/2017 5:27 PM
108	Please re-consider opening the pond at Rice Creek, provide a dog shower, or fill in the stinky, foul, muddy low spots. People would volunteer or donate for improvements if given the opportunity, but I would have to know it goes to the improvement.	3/3/2017 4:10 PM
109	There are a fair number of undeveloped multi-block areas on the east side of st paul that would make great dog parks. It keeps them a natural areas and provides residents a safe way to exercise their dogs offleash. BTW - Questions # 44 won't allow multiple selections, although it indicates it will.	3/3/2017 1:55 PM

Off-Leash Dog Area Survey

110	wish it was closer	3/3/2017 1:01 PM
111	I currently do not use because my current dog isnt social. I still believe dog parks are incredibly important especially as open spaces are disappearing	3/3/2017 12:52 PM
112	Water sources for drinking	3/3/2017 12:21 PM
113	*I HAVE BIG NEEDS IN THE LONGEST SEASON, WINTER FOR ALL-PEOPLE AND PETS-THERE IS NOT ENOUGH -WE NEED OUDORR HEATED PATIOS, SKI BUSSES TO COME IN AND PICK UP KIDS AND FAMILIES FOR SKIING..., AND MACY;S NEEDS TO BE A LIGHTED REC AREA-BOTH CITIES-WE ARE NOT INVESTING AT ALL IN THE LONGEST SEASON-THE SUMMER IS NOT A PROBLEM	3/3/2017 11:44 AM
114	Keep the dog beach on White Bear Lake open and off leash. A few new people have moved into the neighborhood and are complaining, they didn't have to move there if they didn't like the dog swim area. It was there and running wonderfully, they made the choice to move there, we old residents shouldn't have to change for there unfounded complaints.	3/3/2017 11:28 AM
115	Dog park accessibility has been great. We had a great time last summer exploring all the places! I like what's been done so far.	3/3/2017 10:53 AM
116	We live in the Hamline-Midway neighborhood, where there are more households with dogs than there are with kids. There are five parks (including Como) and at least two school fields within less than a mile of our home - all with amenities for kids, none with amenities for dogs. We would love an off-leash dog park within walking distance - it would help with neighborhood community building (we mentioned earlier that we don't really chat with people at Battle Creek - it's because we don't live anywhere near there). We talk with our neighbors with dogs here all the time.	3/3/2017 10:28 AM
117	I usually use Arkwright (city park) but am interested in additional facilities.	3/3/2017 9:37 AM
118	We REALLY need something in the inner city....PLEASE!	3/3/2017 8:53 AM
119	Concerned about the soil erosion at Rice Creek	3/3/2017 8:00 AM
120	I would love one that is more central. I live in Merriam park and would love to have something closer than high bridge	3/3/2017 7:48 AM
121	I'm pretty happy with wat is offered. Would be nice if there was something closer	3/3/2017 6:01 AM
122	I wish there was a park on the grounds of Como Regions! Park near Lake Como	3/3/2017 12:41 AM
123	Is there a reason you aren't in the city of St. Paul? I pay taxes but all your OLDA are suburban.	3/3/2017 12:08 AM
124	No.	3/2/2017 10:59 PM
125	Please help St. Paul incorporate more off-leash areas! We drive to Battle Creek (11 miles) or Minnehaha in Minneapolis. I really would rather not drive so much to exercise my dogs.	3/2/2017 10:28 PM
126	I would LOVE an area similar to minnehaha off leash but in St. Paul	3/2/2017 9:39 PM
127	It would be great to have an area close to Midway Saint Paul - there are a lot of dogs in the neighborhood.	3/2/2017 8:52 PM
128	More skijoring areas	3/2/2017 8:52 PM
129	Pit bulls and other "high risk" dogs should be banned from parks. We had an unsettling "near miss" experience at the park when my son was 6.	3/2/2017 8:24 PM
130	There should be many well maintained parks for people with dogs, just as there are parks for only activities!	3/2/2017 7:49 PM
131	More dog parks please!!! ☺	3/2/2017 7:25 PM
132	Living in the Hamline Midway neighborhood of St Paul, I know I'm going to have to drive a ways to get to a park. I believe the two closest parks, the High Bridge park and one near Dale and Larpenteur, are city maintained. A county park in St Paul would be a nice thing.	3/2/2017 7:12 PM
133	keep open a dog water park in White Bear Lake!	3/2/2017 7:05 PM
134	More parks! Better access to water (lakes for swimming!). BTW, in case you don't hear it often enough, THANK YOU, for these parks. They are incredible as far as adding to the quality of life here in Ramsey County!	3/2/2017 6:47 PM
135	I would love for a dog rinse station at Battle Creek. I would be willing to pay money \$2-\$3 for a clean water to rinse my dog after swimming in the ponds before we get in the car.	3/2/2017 6:26 PM
136	It would be nice to have an indoor dog park for the winter. Also would be nice to have a dog park closer to forest lake. Or a dog park where humans can swim with their dogs.	3/2/2017 6:17 PM
137	Rice creek park can get quite crowded. Another nearby would be nice.	3/2/2017 6:16 PM
138	Just wish there were more areas to take my dog swimming.	3/2/2017 6:02 PM

Off-Leash Dog Area Survey

139	Yes, as I said earlier, I saw no mention of the High Bridge dog park on Randolph in St. Paul. It's where I much prefer to take my dog, as it has a separate area for small dogs. No water, benches, or other amenities. It's a good location for those of us who live in St. Paul, and don't want to have to drive to the suburbs. Our city dogs need these parks!	3/2/2017 5:48 PM
140	Would love to see dog waste drop stations (e.g. more garbage cans)	3/2/2017 4:55 PM
141	I would like to be a contact/consultant if needed. I am a local dog trainer and behaviorist and have been working with dogs for 20 years! I had a booth at the grand opening of the new park over the summer.	3/2/2017 4:23 PM
142	Having just been at a city council meeting in White Bear, I would encourage as much clarity on posted rules, and clear understanding of the monitoring of use. eg: I live in WB Township next to the ball fields. Twp was able to track a neighbor down who had dogs up on the ballfields, at least one off leash, both not tagged for county. They use camera(s). Clear information will support responsible pet ownership.	3/2/2017 4:18 PM
143	A park, even a small one in the hamline, dale or highlands neighborhoods would be nice	3/2/2017 3:55 PM
144	Yes. There are not enough dog parks in St Paul! It's ridiculous that we have to drive so far to get to an official OLDLP. The other option is vigilante dog park activities at an unused athletic field but thats not as safe for my dog as I want it to be & it also leads to animosity between non-dog people neighbors and us. Surely we could fit a dog park in somewhere in como or down next to the railroad tracks or near the compost site off of pierce Butler. Our per capita dog park availability has got to be low compared to other similarly sized cities. We need more dog parks!	3/2/2017 3:40 PM
145	More in St. Paul near merriam park	3/2/2017 3:38 PM
146	It would be great to have an official off leash area in my neighborhood. I foster dogs as well as own a dog and having place for them to socialize and play would be great.	3/2/2017 3:25 PM
147	Provide biodegradable bags for picking up dog poop - the amount of plastic bags used at any one park in one day is huge! Most dogs and their owners do well at dog parks - it is the occasional owner who has no control over their dog who causes lots of trouble. Have a place to contact - or a process for banning someone from the dog park. (after an injury to another human or dog).	3/2/2017 3:23 PM
148	we LOVE the quality of the dog parks in Ramsey County --- I don't know how our dog would deal without the socialization and ability to run and play without them!	3/2/2017 3:15 PM
149	Just to re-iterate, would LOVE to have an off-leash place closer than a 20-minute drive from Midway St Paul.	3/2/2017 3:05 PM
150	Midway needs a dog park!!!!!!!!!!!!!!	3/2/2017 3:04 PM
151	Hamline/Frogtown needs an OLDA	3/2/2017 2:57 PM
152	I am happy that the dog parks do not require a fee to use, that would be discrimination, all other parks are free to use and require much more maintenance.	3/2/2017 2:32 PM
153	Please provide more Off Leash Dog Areas. I do not need a fancy area, just a few acres fenced. Water is not even needed, because dog owners are happy to bring water.	3/2/2017 2:31 PM
154	Parents who bring small children to the off-leash area need to be reminded that it is not a good idea. I have had to leave a park with my dog to avoid issues.	3/2/2017 2:31 PM
155	I split my time between Minneapolis dog parks and the high bridge dog park. Hamline Midway area needs a park.	3/2/2017 2:20 PM
156	As mentioned earlier, I do not own any dogs, but dog sit for friends now & then. Since I don't own a car, it would be nice to have off-leash areas available to take them to within walking distance.	3/2/2017 2:20 PM
157	I like the idea of dog parks. It's a safe, secure place for dog owners to bring their dogs. it also builds community among the owners.	3/2/2017 2:11 PM
158	Security of vehicles at the Battle Creek dog park has been a concern but I haven't heard anything in some time. It may be that the mitigation steps are working and should continue.	3/2/2017 2:02 PM
159	Can we please put an off leash dog area at May Park in the Midway neighborhood. That space is so underutilized, and there's already a much bigger and better playground at Newel Park two blocks away.	3/2/2017 2:00 PM
160	Secure gates and fences, clear paths, plastic bag donation boxes. Arlington/arkwright dog park is great example	3/2/2017 1:33 PM
161	Natural water features are really important for dog safety during the summer.	3/2/2017 1:28 PM
162	To bad you closed the lake park for dog swimming.	3/2/2017 1:26 PM
163	See above. More parks please!	3/2/2017 1:18 PM
164	More parks, maintained to keep mud pits at a minimum	3/2/2017 1:16 PM
165	In general, I think fences surrounding dog parks should be higher.	3/2/2017 1:15 PM

Off-Leash Dog Area Survey

166	I would love a gated or monitored park. One that only paying people could visit	3/2/2017 1:02 PM
167	I would love for more community parks to be off-leash options, even if it's only for certain days of the week or times of the day. It would be nice to be able to let my dog be in a larger open space to chase some tennis balls for even just 15 minutes a day without having to spend twice that amount of time in the car. As a one-car household, if my husband is gone, I can't even take my 40lb dog to a dog park on transit. Neighborhood parks within walking distance are much more accessible.	3/2/2017 12:40 PM
168	Need a large area in Hamline Midway/ Merriam Park/ Como	3/2/2017 12:38 PM
169	Need an indoor place to walk dog when it is icy and/or very cold and windy. Is the Colosseum at the Fairgrounds a possibility?	3/2/2017 12:32 PM
170	We need one in St. Paul. Too many people use Newell Park and there's no fence and the people are jerks about using a leash on their dogs.	3/2/2017 12:21 PM
171	Pond areas at Battle Creek and concern of toxic algae	3/2/2017 12:21 PM
172	A dog park in the midway neighborhood would be awesome!!	3/2/2017 12:19 PM
173	I think it would be great if there was an indoor facility to exercise dogs in the winter. The dog parks get icy and are not safe for dogs or people.	3/2/2017 12:19 PM
174	I'd like to see some dual purpose off leash areas and some socialization programs/training programs offered at off leash areas	3/2/2017 12:11 PM
175	Great job so far. Dogs don't need a lot, just some trees and room to run. Also access to swimming would be great for those of us with hunting dogs.	3/2/2017 12:04 PM
176	There should always be an older dog area. Sometimes other much younger dogs are just way to hyper for the elders.	3/2/2017 11:23 AM
177	Need obstacle/agility courses in parks	3/2/2017 11:19 AM
178	Place for the the dog to swim and large area to run	3/2/2017 11:16 AM
179	Up on till present time I have owned dogs. Large and small. I like the idea of off leash parks. I don't like owners bringing there dogs to events in town with many people or the trend that is happening of bringing dogs into buildings. It is one thing to op to go places that host dogs but another to go to a place that you would not expect dogs to be.	3/2/2017 11:13 AM
180	When awfully she parks went into our area, the number of dogs on pass around in near those off leash parks went way up. The people walking with her dogs to and from the off leash areas seem to think they could be on the pass without their dogs on the leash as well. It has really impacted the areas near the off leash parks in a negative way. My kids don't want to go on the pass anymore because of all the dogs off leash on the pass, it is especially difficult for bike riders with dogs running around off leash on the path. We thought The dog park with decrease the number of unleashed dogs in the neighborhood and on the pass but it is increase the number of the unleashed dogs. I no longer favor the dog parks.	3/2/2017 11:05 AM
181	More parks, with little mud	3/2/2017 10:56 AM
182	No	3/2/2017 10:55 AM
183	To clarify my response to the question about why I do not use off leash dog parks: I do not trust the owners to properly supervise their dogs. Again, "there are no bad dogs." And another thing: The next question does not allow us to check all that apply. DID ANYONE ACTUALLY TEST OUT THIS QUESTIONNAIRE BEFORE PUTTING IT OUT THERE?	3/2/2017 10:37 AM
184	Would like a place the entire family can use year round	3/2/2017 10:35 AM
185	Please create more! I would LOVE to be able to walk to a dog park. There is so much park space that is hardly used, and the dog parks are always full.	3/2/2017 10:30 AM
186	It would be nice to convert the St. Paul Water reserve park in Roseville to an off-leash park	3/2/2017 10:28 AM
187	Our dog park (Otter Lake) does not seem to have a fresh water source like a fountain. I've heard that some people bring empty gallons to fill up water at a hose nearby to fill up the shared water bowls, but I'm not sure how that works. If this is the preferred way, there should be signs around indicating this option since not everyone knows this. I typically bring my own water bowl for my dog when we get to the car, but sometimes I forget.	3/2/2017 10:28 AM
188	We greatly love being able to visit the dog park each day. Walking a dog on a leash only provides exercise, but the dog park allows for play and other types of stimulation. We are huge supporters and will do whatever we can to continue to have the privilege and enjoyment of visiting Ramsey County dog parks.	3/2/2017 10:08 AM

Off-Leash Dog Area Survey

189	I think instituting a user fee is crucial for 3 reasons: 1) people value what they pay for,2) Would provide funds for large scale maintenance (like erosion issues and care of the trails) at Battle Creek), and 3) a key card access would allow RC to deny entry to owners whose dogs have have injured people/dogs (after "due process").	3/2/2017 10:07 AM
190	I appreciate what we have! It would be nice to have (or know of) other dog beaches besides the one on White Bear Lake	3/2/2017 10:00 AM
191	I think each district should have a designated off leash area that community members can WALK to.	3/2/2017 9:55 AM
192	please add small/large dog seperated sites. i park i go to in ramsey county only has small dog "times"	3/2/2017 9:34 AM
193	Well Done	3/2/2017 9:25 AM
194	Lots of mud issues at OLDP.	3/2/2017 9:20 AM
195	There should be a separate area for more agresive dogs. Many people bring their non-socialzed dogs to the dog park and cause problems.	3/2/2017 9:16 AM
196	Like to see pond option similar to rice creek as bond closed because erotion.	3/2/2017 9:13 AM
197	We need a off leash dog park in Roseville MN.	3/2/2017 9:10 AM
198	There are no dog parks near me...Use the high bridge which isn't that nice...Apparently not a ramsey county dog park?	3/2/2017 9:08 AM
199	Actually put a damn flyer in EVERY door within 2-5 miles of a possible dog park. Let EVERYONE have input on it. Posting official meetings in obscure online notices don't count, and that's assuming (stupidly) that everyone has access to internet, time, and computers.	3/2/2017 9:06 AM
200	I wish there were more dog parks! The closest one is a minimum 20 minute drive from my home. Even a small one closer to our home would be helpful!	3/2/2017 9:05 AM
201	Kore fully fenced off leash areas would be great.	3/2/2017 9:00 AM
202	IF there would be an inside area even for a cost for winter I would love it.	3/2/2017 8:57 AM
203	Dogs need a water fill spot available for owners to fill jugs to take into park to fill dog bowls with fresh water	3/2/2017 8:57 AM
204	dog beaches	3/2/2017 8:29 AM
205	THANKS!	3/2/2017 8:29 AM
206	I am looking forward to the dog park opening on 50th street. Please have an enclosed fence.	3/2/2017 8:28 AM
207	Please keep the dog beach in WBL :(3/2/2017 8:27 AM
208	I love my dog very much and have a great desire to keep him safe. Utilizing the Off Leash Dog Areas is the best resource I have to allow him to run and play, socialize with other dogs and expend his energy. I use this park nearly every day, and enjoy it very much. The loss of the pond is a great concern, as on hot days, and days where the dog's get extremely dirty in the mud pits in this park, we have no way to cool them down anymore. There is no water provided inside the park, the only fountain is outside the park, and there is no ability to wash a dog there after getting all muddy. We have submitted requests to repair the mud areas, with no response from the County Website. I don't have the financial ability to drive to White Bear Lake every day to let my dog swim. I don't have the financial ability to drive to the other parks that are of considerable distance to me really, this one is close . I know that I will be getting another dog when I can responsibly financially afford it so I know that my continued use of the park will be for a long time.	3/2/2017 8:15 AM
209	It would be nice to have a dog beach where dogs could go swimming at the Otter Lake site.	3/2/2017 7:49 AM
210	very disappointed to have water area closed at rice creek park. Loved watching dogs swimming.	3/2/2017 7:46 AM
211	We enjoy the area a lot! We'd love more sidewalks on busy roads and intersections for family safety. It makes it challenging to safely get to some of the parks because there are no sidewalks on the busy roads around.	3/2/2017 7:45 AM
212	In order to use any of these parks I have to drive at least 15 minutes. I would love having a little off lease area for local dogs, maybe utilizing rec centers during off hours. It would make my life a lot easier and my dogs much happier.	3/2/2017 7:19 AM
213	Having a new pup this year in the winter I was looking for a place to exercise and socialize him when it was very cold. We did go to Dog Days at Union Depot which was a fun event. I'd like to see more of this type of event.	3/2/2017 7:18 AM
214	We recently returned from an extended trip with our dogs. In 2 communities we used off leash dog parks and enjoyed them so much, we plan to continue here at home.	3/2/2017 7:17 AM
215	have more smaller dog off leash areas, even if it's in the same location/area as larger dogs. I live by a off leash area but don't feel comfortable with my smaller dog roaming the large area	3/2/2017 7:12 AM

Off-Leash Dog Area Survey

216	I would like to see a park in Northwest Ramsey County. Moundsview would be great.	3/2/2017 7:02 AM
217	It would be nice to see more small dog park areas.	3/2/2017 6:52 AM
218	Dogs going to parks should be licensed and permit to go to park should be purchased. Revenue will fund the needed improvements and upkeep.	3/2/2017 6:19 AM
219	no because at this point and time I do not see anything happening to improve the off leash dog park areas and I will continue to walk my dogs elsewhere. The funny thing is that there are more dogs off leash in other areas that they are supposed to be leash because of the way the dog parks are and the no control. So when people are off leash somewhere other the off leash areas make it harder to enjoy your stroll with your dog because they have no control over there dogs either.	3/2/2017 6:08 AM
220	The park on Larpenteur between Dale & Rice is dangerous in that its not entirely fenced in.	3/2/2017 3:28 AM
221	I have a large dog that needs access and space to run in a completely fenced area - these are the needs for my specific breed of dog.	3/2/2017 1:41 AM
222	I wish there were a dog park w/in walking distance. Shade would be a definite plus. Potty bags available always.	3/2/2017 1:27 AM
223	Safe water training. Location for breed, dog groups training classes.	3/2/2017 12:25 AM
224	The southern portion of White Bear Lake County Park would be a great location for an off-leash dog park and beach. The City of White Bear Lake is struggling to make the dog beach at Matoska Park work. The more isolated location of the White Bear Lake County Park would work better.	3/1/2017 11:49 PM
225	The new High Bridge dog park wasn't represented in this survey - it can use some work to make people keep moving. It's a huge security risk to allow people to stand around as their dogs get bored and engage in problem behaviors which lead to fights. High Bridge always has dog fights, and there's no incentive for people to walk. I've even witnessed a person let her dogs into the park and then go back to sit in her car :(3/1/2017 11:13 PM
226	Shaded areas are important.	3/1/2017 10:59 PM
227	Love the OLDA near our home.	3/1/2017 10:59 PM
228	My dog likes to swim! Rice Creek swim area is closed and White Bear Lake is restricted. Battle Creek is not at all close.	3/1/2017 10:44 PM
229	So great to have these parks available	3/1/2017 10:31 PM
230	It would be very cool if there was a new dog park next to the compost site on Frank & Simms in the wooded area! Then I could walk there! ???❤	3/1/2017 10:29 PM
231	I didn't know what an OLDA was so I didn't identify it as being used by me. I almost daily frequent the Arkwright Dog Park because it is only 1 block from my home.	3/1/2017 10:20 PM
232	We need enough facilities to handle the extensive use. Crowding causes people & dog problems and environmental wear. Dog parks get intense use!	3/1/2017 10:06 PM
233	no	3/1/2017 9:54 PM
234	I used to use battle creek park a lot, and am a knowledgeable and responsible dog owner but over the years more and more dogs who should not be at an off leash park have turned up at the park. They seem to have unprepared owners who do not understand dog dog interaction and this has made the park unusable for mr and my dogs.	3/1/2017 9:53 PM
235	I am so thankful for the OLDPs!	3/1/2017 9:36 PM
236	No.	3/1/2017 9:29 PM
237	More wood chips and some class 5 on the hill side paths to improve the footing under wet conditions.	3/1/2017 9:12 PM
238	Would love another dog park in the county. But the size is important. Nothing smaller than 10 acres or there is trouble with dogs being more aggressive when they can't run away. I love having an off leash dog park near my house. It is very important for me and my dogs health and well being.	3/1/2017 9:07 PM
239	A dog park is needed in the Highland Park area.	3/1/2017 8:46 PM
240	I think something needs to be done about off leash dogs where signs are clearly posted stating dog must be on leashes - please enforce the leash ordinance in our parks particularly hidden falls and Crosby farm - PLEASE	3/1/2017 8:39 PM
241	I would love more access to OLDAs. They are perfect for us.	3/1/2017 8:37 PM
242	There is no control at golf courses and parks. I'm very upset by how little the leash law is enforce. Of course people want their dogs to run free, but dogs can get into terrible fights, children and even some adults are frightened of dogs running around looseThe leash law has to be enforced with a hefty fine.	3/1/2017 8:34 PM

Off-Leash Dog Area Survey

243	Mac-Groveland dog park would be nice. Thanks.	3/1/2017 8:33 PM
244	Walking paths are extremely important so my dog and I can keep walking and avoid the buildup of dogs at the entrances that causes fights whenever a new dog enters the park. Love Battle Creek for this reason.	3/1/2017 8:31 PM
245	Need a designated LAKE Not just a random pond	3/1/2017 8:29 PM
246	Would love more parks with beaches	3/1/2017 8:27 PM
247	Better overall care and maintenance.	3/1/2017 8:24 PM
248	More parks with swimming for dogs Question 44 wouldn't let me select more than one option. I would've selected every option.	3/1/2017 8:18 PM
249	Is there a way to be more involved?	3/1/2017 8:10 PM
250	Like more waste barrels inside park,	3/1/2017 8:08 PM
251	Thanks for asking for input! There have been stories of dogs being poisoned. Would be great if there was a way to catch the creeps!	3/1/2017 8:04 PM
252	We need more dog parks. They city of St. Paul needs to step forward. Dog parks should require a permit or license as they do in Minneapolis. Because of the shortage of dog parks in St. Paul I pay for a Minneapolis permit.	3/1/2017 7:51 PM
253	I do feel they serve a great purpose and enhancement to the community.	3/1/2017 7:43 PM
254	wheelchair accessibility would be a huge plus	3/1/2017 7:27 PM
255	More dog parks with the city of St Paul. I've tried to organize, but there is no motivation by the city to come to resolution.	3/1/2017 7:24 PM
256	I am open to purchasing a tag/license for OLDA use if funds were earmarked for upkeep, maintenance and improvements	3/1/2017 7:20 PM
257	Please have separate areas for small and large dogs, and enforce guidelines regarding negative behavior and aggressive dogs.	3/1/2017 7:18 PM
258	We love the rice creek park but are bummed about the pond closing.	3/1/2017 7:15 PM
259	None	3/1/2017 7:10 PM
260	Ease of getting to them from on and off the roads, some are harder to find than others!	3/1/2017 7:08 PM
261	I use the High Bridge park. The County has enough.	3/1/2017 6:52 PM
262	A solar light at the entrance gate at Rice Creek North would be great for us that have you go later	3/1/2017 6:51 PM
263	We need more dog parks. Or to share time with regular parks. Specific hours for dogs. We really need access to the river for instance at hidden Falls or Crosby. Could use area that is wooded at hidden Falls.	3/1/2017 6:50 PM
264	Leave the parks as natural as possible.	3/1/2017 6:49 PM
265	All for rice creek. If we would get a light so when it gets dark early we can see better. Sometimes dogs that are not neutered can be an issue. They tend to be too dominate for the park.	3/1/2017 6:48 PM
266	There should be more areas throughout the city for residents to exercise their dogs.	3/1/2017 6:41 PM
267	Concern for the water quality in ponds at Battle Creek. My lab loves to swim but I worry about how often the way St is tested.	3/1/2017 6:40 PM
268	no	3/1/2017 6:40 PM
269	It was a huge disappointment when BC was fenced. I used to take my older daily, but virtually stopped going after the fence went in - too many people with no voice control of their dog, which lead to lots of aggressive dogs running around.	3/1/2017 6:39 PM
270	A larger more accessible via car dog park on the South/West side	3/1/2017 6:37 PM
271	swimming pool for dogs. Renovate a hotel that has a pool use it strictly for dogs. Charge a users fee	3/1/2017 6:32 PM
272	Having large areas are helpful to allow diverse groups of dogs to interact. It does not cause you to be forced to interact or leave due to a specific dog	3/1/2017 6:20 PM
273	I would love to see agility courses added and the current parks maintained more in the winter time. I know its hard because its so icy. But that would be nice to use paw-friendly salt.	3/1/2017 6:19 PM

Off-Leash Dog Area Survey

274	Yes, Maintaining the parks by making sure there are proper disposal cans. Help the landscape be more user friendly during times of ice, snow or rain etc. Love using the parks but can and has been dangerous during certain times. Or not human friendly (muddy, ice build up, etc.)	3/1/2017 6:04 PM
275	The only one close to me is the Roseville park (Woodview). I need an enclosed space. The hours for my small (20lb.) dog are very limited and not convenient. In the winter, most of the time is after dark.	3/1/2017 6:01 PM
276	Love that our community is dog friendly and continually looking at ways to improve local amenities for dogs/families.	3/1/2017 5:57 PM
277	More off leash areas would be fantastic!!	3/1/2017 5:54 PM
278	The dog park by the river in St. Paul is barrier.	3/1/2017 5:50 PM
279	I am disturbed by the preponderance of unleashed, uncontrolled large dogs in the open space surrounding the off-leash area.	3/1/2017 5:49 PM
280	I really enjoy the dog parks that are available in Ramsey county. Really adds to how great it is where we live. Thank You!	3/1/2017 5:49 PM
281	Safety if dogs were to get out of owner sight and run into the street	3/1/2017 5:48 PM
282	I would really like an off leash area for small dogs	3/1/2017 5:35 PM
283	No	3/1/2017 5:29 PM
284	Concern about aggressive dogs and bad dog owners. Concern about dogs being off leash coming into the dog park. Concern about parking lot break ins.	3/1/2017 5:26 PM
285	I think its very important to have exercise and beach area for dogs , but owners need to be responsible	3/1/2017 5:21 PM
286	I only use the dog beach on occasion when few dogs are there. We bring our dog on our row boat however.	3/1/2017 5:20 PM
287	Good idea	3/1/2017 5:17 PM
288	Increasingly dog owners are allowing aggressive dogs to be off leash as well as allowing LEASHED aggressive dogs to approach my LEASHED dogs very aggressively (teeth bared & snarling) THEY STOP THEY DOGS JUST BEFORE THEY BITE! Dog owners not picking up thier dog feces is also alarmingly commonplace now. I would very much like to see officers addressing both these issues with citations. I have had dogs for over 20 years and am saddened to see these developments.	3/1/2017 5:16 PM
289	An area with a real lake and decent space for dogs to swim would be great.	3/1/2017 5:15 PM
290	Battle Creek is great! My dog loves it. We try to go once a week in the summer (less in the winter) but we made it this Feb!	3/1/2017 5:14 PM
291	I love West 7th under High Bridge	3/1/2017 5:09 PM
292	No	3/1/2017 5:07 PM
293	I've only had a dog for 3 months and only been to Rice Creak, but have been impressed with the up keep of the fences, emptying of trash and adding mulch to the main entrance when muddy when needed!	3/1/2017 5:02 PM
294	Love the Ramsey County dog parks. If we could have more closer to the city it would be great.	3/1/2017 4:59 PM
295	My dog loves to go off leash but the canine influenza was concerning and I stopped taking him to the High Bridge park.	3/1/2017 4:59 PM
296	I now pay \$44 a year to use a Dakota County Dog Park. I find the dogs and owners act more responsible in a paid for membership park. I encountered too many aggressive dogs in Otter Lake Dog Park and irresponsible owners. A documented membership with visible card I.D. displayed hanging on rearview mirror seems to hold people more accountable for their own actions and their dogs behavior.	3/1/2017 4:58 PM
297	When walking a dog, ALL dogs should be on a leash	3/1/2017 4:51 PM
298	Would like something near long lake regional park	3/1/2017 4:48 PM
299	Not at this time	3/1/2017 4:47 PM
300	More and improved dog parks. Should be one in new brighton.	3/1/2017 4:47 PM
301	Just, again, that I would LOVE to be able to walk to an off-leash park.(We live just east of Bellaire Beach in White Bear Township.) And question 44 is set up for only one answer being possible. I'd choose the kiosk as well as email notification.	3/1/2017 4:46 PM
302	Please invest in Wacouta Commons. Leverage the existing "Friends of Wacouta Park" that plant each year.	3/1/2017 4:44 PM

Off-Leash Dog Area Survey

303	I am currently working with a small group of residents in the Como park area to get a dog-run, exercise area in our neighborhood.	3/1/2017 4:41 PM
304	I support creation of off leash dogs parks as long as they are designed to not have a negative impact to water resources	3/1/2017 4:31 PM
305	I currently have to drive to Minneapolis Airport Dog Park, which I resent because I pay a lot of taxes in Str. Paul.	3/1/2017 4:30 PM
306	More dog parks! There are too many dogs for the areas we have. This makes visits stressful.	3/1/2017 4:29 PM
307	Agility is great exercise for dogs and people!	3/1/2017 4:29 PM
308	After many visits, I believe that the regulation not to bring a female in heat should be extended to unneutered male dogs. Most incidents I have seen there seems to be one of these involved.	3/1/2017 4:28 PM
309	Please encourage Washington County to do the same.	3/1/2017 4:27 PM
310	Minneapolis has a great dog park system - many parks, large areas, shading by mature trees, water sources - I would like to see Ramsey support the same and have them some near higher density areas - including one in the area of the redeveloped ford site would be a fantastic idea for those in mac groveland/highland park/merriam park area. I currently use the High Bridge dog park (and volunteered to help plant trees there this past fall through UMN) but I wish there was a water source and more seating as well, but it has certainly come a long way. It's the only one of a decent size in the 'downtown'-ish area. Otherwise I drive up to Payne Phalen's dog park.	3/1/2017 4:26 PM
311	We need a OLDA in Como Park, I think a fee should be charged and enforced to use the OLDA to help defray the cost and then I would ask someone to enforce this. It's annoying seeing plates from WI and other states using the OLDA that I pay for through taxes. If you are concerned about people not being able to afford the cost have a waiver for low income or disability then.	3/1/2017 4:25 PM
312	We are going to visit the White Bear Matoska Park Dog Beach this summer and looking forward to it. They will be requiring a leash, and we're okay with that! What we would really love is a permit-required park with agility and obstacles and paths. Our dogs would LOVE that, and so would we!	3/1/2017 4:25 PM
313	Leave them natural. Volunteers are grooming Otter Lake to feel like a golf course.	3/1/2017 4:24 PM
314	I like what you have. Just keep it as good as it is!	3/1/2017 4:24 PM
315	poorly socialized dogs ruin the experience - along with stupid people -	3/1/2017 4:23 PM
316	More dog beaches. My dog loves to swim in the summer.	3/1/2017 4:22 PM
317	Higher fences!	3/1/2017 4:21 PM
318	would love a off leash dog area near the Mississippi River!	3/1/2017 4:21 PM
319	Have more things for the dogs to climb on, maybe some tunnels, some bridges, etc. More for them to explore. A swim area would be wonderful too.	3/1/2017 4:20 PM
320	regulate leash usage better at regular parks.	3/1/2017 4:19 PM
321	keeping up the wood chips to limit mud is the most important feature for using a dog park after being close to our house.	3/1/2017 4:18 PM
322	I would like a closer off leash ares to the neighborhood.	3/1/2017 4:17 PM
323	Good to see you are looking at this.	3/1/2017 4:15 PM
324	Since the dog beach in White Bear Lake was recently closed, having the water access at the Otter Lake park is really important. If there is a possible location for another dog beach, I would be interested. Thanks!	3/1/2017 4:15 PM
325	I moved here from Portland, Oregon and they have quite a few off-leash dog parks that are very nice. You might reach out to them if you are interested in their experience in this area.	3/1/2017 4:14 PM
326	Larger dog parks are best. For winter time having a parking lot that is well lit is important and that the park is well used so that I feel safe there.	3/1/2017 4:13 PM
327	The volunteers at Battle Creek do a Fantastic job!	3/1/2017 4:12 PM
328	I may be in the minority, but I'd like more mowed off-leash areas. Having to pull tons of ticks off my dog in the summer sucks and makes me less likely to use an OLDA.	3/1/2017 4:12 PM
329	We have a closer dog park in Lauderdale, but it is tiny. We don't need a park as big as Rice Creek, but most are at least 15 minutes away, so we visit that one out of habit. It would be great to have some dog parks in more central St. Paul neighborhoods (We live in St. Anthony Park neighborhood, and it takes just as long for us to get to the high bridge park as it does to get up to Rice Creek).	3/1/2017 4:11 PM

Off-Leash Dog Area Survey

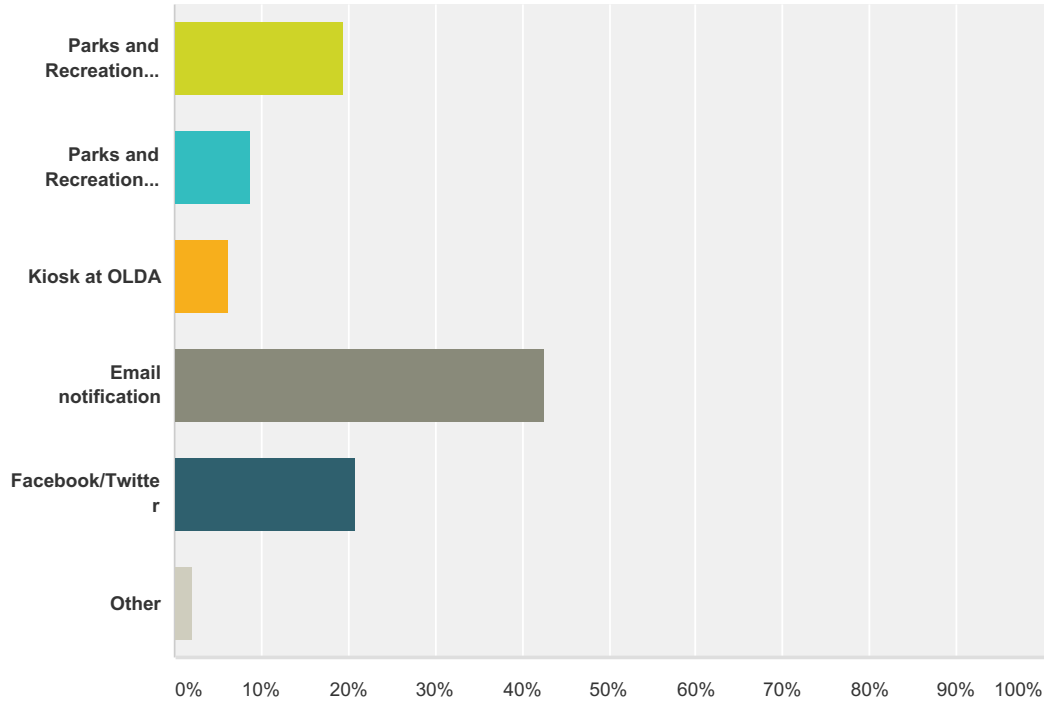

330	I would be willing to pay for a seasonal pass or visit-at-a-time pass for off-leash recreation in one of the State Fair ground buildings during the winter. It seems to me that the parks that I visit are VERY heavily used, and I support an approach like that of Mpls which includes permits and fees.	3/1/2017 4:10 PM
331	More (big) off leash areas would be nice. Also more areas for dog drinking water and maintenance for muddy areas in the park.	3/1/2017 4:10 PM
332	I support all efforts to make dog friendly zones, as well as efforts to increase accountability for people who don't clean up after their dogs.	3/1/2017 4:08 PM
333	I go on a hike in Ramsey county parks 5-6X week with my dog, but prefer to use the full park. Not dog designated space, as it is recreation/exercise for me too. I don't need/want isolated dog spaces as I don't find them "relaxing in a park".	3/1/2017 4:08 PM
334	I love when bags are provided near waste cans along trails.	3/1/2017 4:07 PM
335	safe water to swim in	3/1/2017 4:07 PM
336	I wish the high bridge dog park was bigger, it can get congested.	3/1/2017 4:07 PM
337	Concerned about Rice Creek pond closing. The site has very little shade and is too hot in the summer without the pond.	3/1/2017 3:54 PM
338	I would like to see an annual permit created where it granted access to the park. Too often you see owners just dropping off their dogs for the day and leaving or random disrespectful people not following Park rules.	3/1/2017 3:33 PM
339	I appreciate the water testing of the open ponds. Last year at Battle Creek the fenced off pond tested positive for blue algae, which can be fatal to dogs. They closed it off which is great, but when I asked the if the other non-fenced off ponds were safe I got an unsettling response. They said that the open ponds are not even tested. I didn't take my dog to any of the Ramsey County dog parks until the algae problem was resolved. I would appreciate it if we could test the other ponds in the park or add more fenced off areas to avoid any fatalities to our fury friends.	3/1/2017 3:17 PM
340	Yeah---question #38, you can't select more than one. I prefer emails, and Facebook updates. The guardian program is not working. Time for an overhaul... or discontinue it. Or maybe you already did and failed to communicate such.	3/1/2017 3:13 PM
341	More opportunity to be involved with administrative process. Would like a park steering committee or something similar with open membership.	3/1/2017 3:13 PM
342	Question 44 does not allow checking more than one response. I'd like fb and email	3/1/2017 3:11 PM
343	Please stay dog-friendly!	3/1/2017 2:53 PM
344	I am willing to drive to Ramsey County for a good dog park. (45 minutes)	3/1/2017 2:37 PM
345	No. I would like more options but it is not necessary.	3/1/2017 2:37 PM
346	Need more dog parks! My car was broken into at Battle Creek, please secure the area	3/1/2017 2:29 PM
347	Pools!	3/1/2017 2:20 PM
348	Just A large off leash area for my dogs where it is legally exceptable for them to be off leash.	3/1/2017 2:05 PM
349	i am always picking up large droppings from big dogs, its not fair to us who pick up after our dogs	3/1/2017 11:58 AM
350	People don't follow rules and bring Unfriendly dogs. My dog has been bit and I have nearly been bit	3/1/2017 2:24 AM
351	No.	2/28/2017 9:59 PM
352	Thank you for loving our furr faces and providing these opportunities.	2/28/2017 9:56 PM
353	An agility course would be amazing! And a nice place to hose dogs	2/28/2017 9:36 PM
354	An affordable, indoor dog park would be so awesome!!!!	2/28/2017 9:31 PM
355	Keep water and mud areas fenced off.	2/28/2017 9:25 PM
356	I am concerned about algae in the pond making dogs sick and the possibility of the spread of disease between dogs, especially with central water options for dogs	2/28/2017 8:49 PM
357	1. Places to clean dogs off would be awesome. 2. Consider how the elements effect trails (i.e. Ice and mud). 3. More places by the water w access to the river. 4. No dog park licenses. Dog parks are really about getting to know your neighbors.	2/28/2017 8:38 PM
358	Fully fenced. Multiple entrances and exits. Drinking water available.	2/28/2017 8:04 PM
359	No	2/28/2017 7:55 PM

Off-Leash Dog Area Survey

360	I am so grateful for the OLDAs. My dog would be so unhappy without them, as he is a very high-energy dog.	2/28/2017 7:53 PM
361	Having a separate small dog side is a huge plus!! My dog gets along fine with big dogs but does not run around then for fear of getting trampled!	2/28/2017 7:51 PM
362	I'd like a place with large loop trails to go hiking. Specifically, it would help if dogs were allowed at Tamarack. Additionally, in the winter we need places where skjoring is allowed.	2/28/2017 7:34 PM
363	Unified dog park licensing.	2/28/2017 7:32 PM
364	More off leash options would be fabulous!	2/28/2017 7:31 PM
365	for me , too many dog fights happen	2/28/2017 7:14 PM
366	Lights in the dog park.	2/28/2017 6:58 PM
