

Lake Owasso Public Meeting – September 15, 2016

Group 1

Reuse playground.

Playgrounds adjacent natural and traditional.

Separate multiple shelters as opposed to 1 large.

Food vendor/food truck parking near adjacent to beach building.

Move pedestrian crossing.

Do not spend much money on parking lots.

Fishing pier west side beach do not obstruct boat traffic.

Cover Kenny water ski program.

More benches south of Owasso—facing lake more trees including grills.

Docks to moor boats/jet skis off beach or alternate mooring options.

Concessions in summer/winter ice fisherman.

Connect new city trail to Grass lake/Snail trail

Bike racks

Drop natural play area.

Reduce mowing increase prairie pollinator.

Like the look of Vadnais/Snail shelters. More small shelters rather than one big one. A lot of families gather.

Permanent umbrellas on beach for shade.

More AIS awareness.

No wake/boat noise ordinance, stop water skiing and early morning ice auger.

Additional winter recreation opportunities.

Outdoor hockey rink.

Splash pad off lake.

Group 2

City trail connection (check property ownership) of public R.O.W.

Wabasso fishing pier (location) location vs Privacy.

Water resource of lake. Will additional fishing impact.

Bring all buildings into compliance.

Better access to Wabasso (throughout park ADA compliance).

Buffers to lake.

Potential fish pier impact on Owasso with existing boat use/swim use on lake.

Shelters (keep 3) 2 Wabasso, 1 Owasso.

Basketball courts

Safe large over story trees.

Natural buffer between park and residents.

Beach-provide life guard.

Beach configuration?

Limit boat beach parking or designated areas.

Potential porta-potty (Wabasso) vs restroom.

Playground traditional playground no sand.

Benches

Enlarge the Owasso boat launch facilities to allow for vehicle/trailer parking for 20-25 places and eliminate concrete trail.

Place the Owasso fishing pier west of the beach

Reduce the west Owasso parking lot and install a basketball court.

Eliminate the swimming platform. There isn't a lifeguard.

Include water and bathrooms on Owasso and Wabasso and reduce the need for crossing the road.

Don't include showering/footwash. We would be inviting foot diseases.

Group 3

Connect trails to Janis

ADA trail / road between parking lots NE Corner Deio?

W. Pier / Worth it? | Too shallow | Who maintains road?

County road for trailer parking.

More trailer parking.

Stagnant water – nuisance area.

No crossing into parking lots.

Move play area back from road.

Fencing? Walls?

Road Plan? Widening? Widening Bike Lane?

NE corner shelter?

E.R.

Ramps, closed in 2017

Rain gardens not holding ponds.

Exercise stater by road.

Park maintenance plan.

Tasteful beach building.

Whole park theme "Woodsy" as example.

Portapotty.

Group 4

Fishing pier away from area between launch and beach

Wabsso may make more sense for fishing pier

Signage and garbage near any fishing pier

Shelters: One medium 50-75 people. One similar to the size that exists.

Natural type play area

New Beach building

No pier on Owasso

Look to keep linear parking lot

Historic signs/interpretive signs

Boat beaching area

Buoys for beach definition

Clean sand on beach

Keep beach parking on beach side
