

Snail Lake Improvement District Comments

March 3, 2020

Summary

The master plan update for flooded park infrastructure was presented to the Snail Lake Improvement District (SLID) and public who attended the meeting. Technical questions were addressed by Ramsey County staff. In addition, the following comments were noted:

General Comments

1. Please address amplified sound at the pavilion
2. Make changes to the boat launch to address launch when water is high; make it a priority
