DATA REPORT

Opioid Response Community Grants

Grantees will be required to submit data for activities and services occurring during the contract term from June 1, 2024 through February 28. 2025 with Saint Paul – Ramsey County Public Health (SPRCPH). A Data Report form link will be sent to the listed primary contact in the grantee's original application to complete. Reporting will be required at least three times during the period of the contract term and a data report link will be sent a month prior to the due date by a county staff.

Reporting Periods
- June 2024 – August 2024: Data Report due by September 15, 2024
- September 2024 – December 2024: Data Report due by January 15, 2025
- January 2025 – February 2025: Data Report due by March 15, 2025

Please complete each section of reporting by the appropriate deadline.

SECTION 1: PRIORITY AREA

Please indicate the **ONE** priority area you are addressing with this grant.

Priority Area	
☐	1. Resources and services for pregnant/parenting people and babies that are impacted by opioid use, and to prevent opioid related overdoses and fatalities.
☐	2. Alternative and/or culture-specific approaches and supports for people in treatment/recovery.
☐	3. Connect people to services through health education, awareness or outreach that focuses on preventing opioid related overdoses and death.
☐	4. Supportive services to people involved in the justice system to reduce the likelihood of opioid overdoses and fatalities.
☐	5. Community health education, engagement, and outreach to youth / young adults about the dangers of opioid, fentanyl, and xylazine and substance use.
