- Or, hop on your bike and ride north to the proposed Hwy 36/English Street station area, guided by members of the project team. (20 minute ride, round trip)

### 11:00 A.M. SHARE FEEDBACK

Share feedback on the

- walking and bicycling experience
- station area design
- BRT guideway design
- trail features

**FREE Snacks & Drinks! Rain or Shine!  
Kid-Friendly Activities!**

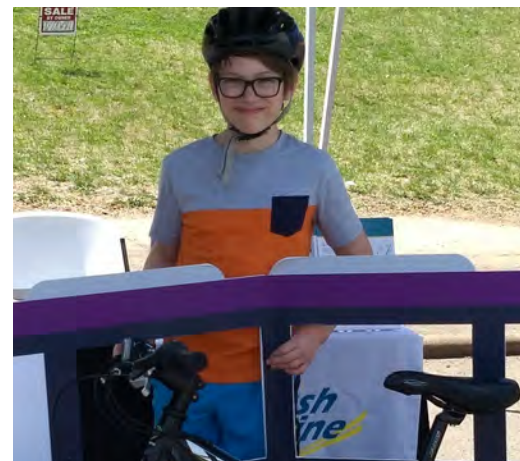

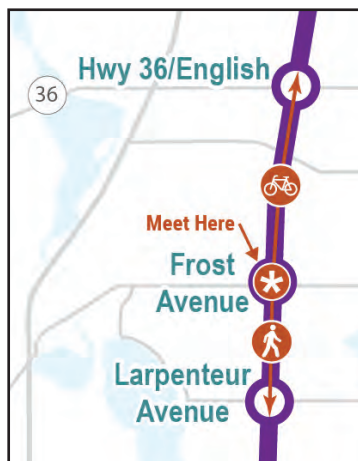

Coming? Let us know at [rushline.org](http://rushline.org)

## Great things are happening!

Join the Rush Line Bus Rapid Transit (BRT) Project conversation! Come enjoy a morning full of fun activities for people of all ages and abilities. Members of the project team will be available to discuss possibilities for trail alignments, landscape design, and station area planning.

Come move around and take this opportunity to learn more about the Rush Line BRT Project, to share feedback on transit and trail design in the Ramsey County Regional Railroad Authority Right-of-Way (RCRRA ROW), and to visit future station locations in Maplewood between Larpenteur Avenue and Hwy 36/English Street.

Gather at the Bruce Vento Trail circle north of Frost Avenue. Participants arriving by motor vehicle should park at the fire station located at 1955 Clarence Street (adjacent to the RCRRA ROW).

**Sign up for email updates. Provide comments. Ask questions. Learn more.**
