

Schedule of Penalties for late Payment of Property Tax - All payments must be postmarked on or before the due date

If your tax is \$100 or less for real property or \$50 or less for personal property and manufactured homes, it must be paid in full by the first payment date to avoid penalty.

If you pay your first half and/or your second half property tax after the due dates, a penalty will be added to your tax.

The later you pay, the greater the penalty you must pay.

The table below shows the penalty rates that will be applied on the next business day after the due date if your property tax payment is not received or postmarked on or before the due date shown.
