

## WHAT IS THE ALL-ABILITIES 2050 TRANSPORTATION PLAN?

The All-Abilities 2050 Transportation Plan is a **visioning document** that will guide the development of Ramsey County’s transportation system. It includes short- and long-term goals for the system, examines existing and future conditions, identifies where opportunities exist, and outlines a financially constrained list of projects to improve the safety, efficiency, and accessibility of the transportation network.

## KEY DELIVERABLES

Eight key products will be created as part of this plan:

### 1. UNDERSTAND EXISTING CONDITIONS

How does the current system work?

### 2. UNDERSTAND CURRENT SOCIAL EQUITY

Who does the current system work (and not work) for?

### 3. TRANSPORTATION GOALS AND OBJECTIVES

What should the system look like?

### 4. MEANINGFUL AND INCLUSIVE ENGAGEMENT

What does the community think? How can they stay engaged?

### 5. UPDATED PERFORMANCE MEASURES

How should our bridges, roadways, and transit be evaluated?

### 6. FINANCIAL FORECAST

Does future funding match our goals?

### 7. FINANCIAL INVESTMENT SCENARIOS

How can we best invest in the system?

### 8. TIP PROJECT DASHBOARD

What projects should be prioritized?

## SCHEDULE

The plan process began in September of 2022 and is scheduled for completion by February of 2024.

<b>PROJECT KICK-OFF</b>	September 2022
<b>EXISTING CONDITIONS</b>	November 2022 – March 2023
<b>VISION, GOALS, AND OBJECTIVES</b>	February – April 2023
<b>PERFORMANCE MEASURES</b>	February – May 2023
<b>FINANCIAL PERFORMANCE</b>	May – July 2023
<b>SCENARIO PLANNING</b>	July – November 2023
<b>IMPLEMENTATION PLAN</b>	August – December 2023
<b>FINAL DOCUMENT</b>	December 2023 – February 2024
<b>PUBLIC ENGAGEMENT</b>	Continuous throughout the project
