

#### **RIVERVIEW CORRIDOR STATION AREA PLANNING**

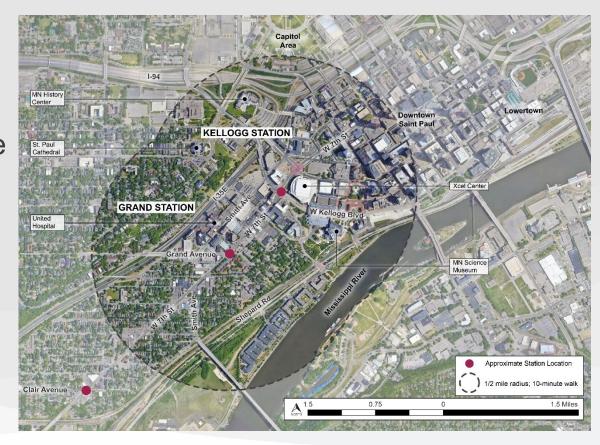

**Community Survey Results for the Grand and Kellogg Station Areas** 

Completed in partnership with Perkins&Will

## **Survey Overview**

Ramsey County and the City of Saint Paul are working to improve transit service along West 7th Street between downtown Saint Paul, the Minneapolis-Saint Paul International Airport, and the Mall of America.

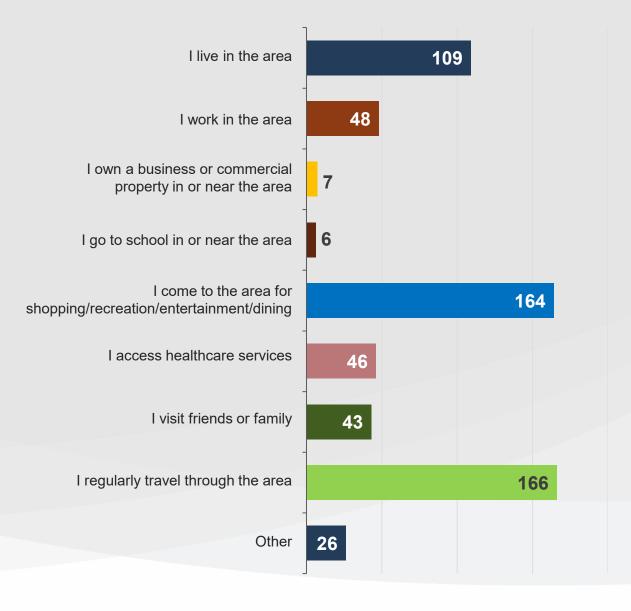

## **Survey Overview**

The Riverview Corridor Station Area Planning Survey was made available to the public and focused on the neighborhoods surrounding two planned transit stations at Grand Avenue and Kellogg Boulevard. Valuable input from the community will help inform and create plans to guide future growth and development at transit stops along West 7th. While open to the public, the survey collected a total of 285 responses with a 67% completion rate.
