Sheriff Jack Serier
Ramsey County Sheriff
425 Grove Street
Saint Paul, MN 55101

Dear Sheriff Serier:

The Data Practices Office, on behalf of the Commissioner of Administration, has received the Ramsey County Sheriff Office's automated license plate reader biennial audit report.

As required by law, our review of the report summarizing the results of the audit covers the audit of records to determine wither data currently in the records are classified, how the data are used, whether data are destroyed as required, and that the audit verified the Office's compliance with data accuracy, protection, and legitimate access procedures and applicable data breach notification requirements.

According to the report submitted by your auditor, the Office of the State Auditor performed agreed upon procedures to confirm Ramsey County's compliance with Minnesota Statutes, section 13.824.

If you have any questions, please contact me at stacie.christensen@state.mn.us or 651.201.2500.

Sincerely,

STACIE CHRISTENSEN
