Important Facts About the Information Provided in Your Application

The Minnesota Government Data Practices Act requires you to be informed that the following information which you are asked to provide in the employment process is considered Private Data: Name, Home Address, Phone Numbers, Email Address, Date of Birth, Sex, Age Group, Racial/Ethnic Group, Disability Status.

We ask for this information for the following reasons:

- to distinguish you from other applicants and identify you in our files
- to enable us to verify that you are the individual who takes the examination
- to enable us to contact you if additional information is required, send you notices and/or schedule you for an interview
- to determine if you meet any minimum age requirements
- to enable us to ensure your rights to equal opportunities and to meet affirmative action goals
- to meet federal reporting requirements
- to make processing more efficient

The data supplied may also be used for other purposes necessary for the administration of the Ramsey County Personnel Act and Rules.

Furnishing your date of birth (unless a minimum age is required), sex, age group, racial/ethnic group and disability data is voluntary, but refusal to supply other requested information would mean that your application for employment might not be considered.

Private Data is available only to you and to persons in the County or County-related programs who have a bona fide need for the data. **Public Data** is available to anyone requesting it and consists of data furnished in the employment process which is NOT designated in this notice as Private Data.

If you become a finalist for a position, your name, score and standing will become public information and may be provided to anyone. If you are hired by Ramsey County, you will be legally required to supply your Social Security Number and other applicable information required by federal and state agencies. Insurance data, which you will be required to furnish in order to participate in County health and life insurance plans, will be classified as private, as will payroll deduction data.
