

GREAT NEWS!!!

All MFIP Families!

**You can reach your dreams through Education and Employment.
Ask your counselor how!**

On July 1st, 2014, The State of MN made several policy changes to the MFIP Education and Training Activities.

The changes allow you more time to pursue your education, enhance your skills and find a career that you will enjoy. There is way to work and gain skills to get better jobs. The changes allow you to earn and learn!

The changes will allow you more time to:

- Improve your basic skills by attending Adult Basic Education Classes
- Improve your English, attend English as a Second Language or Functional Work Literacy Classes for as long as you need to while you are on MFIP
- Earn your GED and get close to the job that supports your family
- Get a degree! Attend an accredited 4 year college/university for 48 months instead 24 months

This is an exciting opportunity for you to discover what you love to do.

Talk to your MFIP Employment Counselor to find out:

- ✓ What program is right for you
- ✓ What will add income to your household
- ✓ What college is right for you
- ✓ How to set payment plans for your education debts with your educational institutions

Employment and Educational opportunities are waiting for you. Your MFIP Counselor is here to help as you design your own career pathways. Please call your MFIP Counselor to learn more!
