

FAST - Families Achieving Success Together

As a FAST participant you will be included in a supportive, caring & culturally responsive environment with employment, job placement, adult and children mental health, peer support & health navigation services. You will be able to choose the services that are most helpful at any point in time.

If you are interested in the FAST program and are an MFIP participant receiving FSS services, your Employment Counselor can make a referral for you.

Participant feedback ~ "The staff are extremely helpful and compassionate."

"(The staff) have always put my family first it made me feel like a person and not just a participant in the program"

"I like how everyone is dedicated to helping you achieve your goal and make you feel good about yourself. This is just great"

This is an award-winning program administered through Ramsey County Workforce Solutions & Goodwill Easter Seals in collaboration with MN CarePartner, MN Community Care, MKB & Associates, and Ramsey County Children's Mental Health.
