

APPLY TO RAMSEY COUNTY'S WORKFORCE INNOVATION BOARD!

Join community leaders engaged in supporting a more inclusive Ramsey County economy. Impact workforce initiatives that ensure businesses have the talent they need and residents have access to opportunity and prosperity.

Personal Impact:

- Learn more about the critical nature of public-private partnerships in order to solve complex problems in our community.
- Be empowered to better understand the local workforce ecosystem and the varied partners within.

Professional Impact:

- Engage with elected officials and other community leaders in education, non-profit and business community.
- Be at the table where valuable workforce data and resources are shared so you can bring beneficial information back to your organization.
- Grow your network of other committed leaders all focused on ensuring that Ramsey County's economy has the human capital it needs to thrive.

Community Impact:

- Provide leadership ensuring our local economy has a place for everyone and racial equity and inclusion are applied through government funded programs.
- Be the voice of your industry and organization as community partners come together to understand the labor market and respond to needs for both employers and job seekers in real time.
